101 YEARS OLD.

Her Health in Recent Years is Due to Paine's Gelery Compound

Think of it! More than a century old!

Rev. T. Maxwell Morrison, whose pastorate

Paine's celery compound has been my health preserver during the last few years. Whenever I have an ache or a pain a few doses of this remedy gives me relief and strength. Few women even though much younger than I, enjoy as good health, for my appetite is natural, my sleep refreshing, and I can walk quite a distance without leeling tired. People are surprised at my vigorous appearance and activity, which I believe is the result of my using Pame's celery compound. It has cured me of constipation, and is of great help to me when over tired. Gratefully yours,

Two years after, Mrs. Grinnell, still vig-

Think of it! More than a century old!

And her old age is not a exhamity.

Mrs. Emyle Hyde Grinnell, who two years ago at the age of 19, sent to the proprietors of Paine's celery compand an unexpected and unsolicited testimonial now two years afterward (when she has lived in good lealth beyond a century) again writes with her own hand another hearty letter of thankfulness for the wonderful good this great remedy has done her.

Mrs. Grinnell was born in Beanington, Vt., Juiy 6, 1896, and in to-day, living with her daughter, the wife of Martin Fowler of Cachester, Vt., a beautiful town near Fort Ethan Allen. Her father was a farmer and hotel keeper, and she lived upon the farm until her marriage.

Mrs. Grinnell rises at daylight, works about the house, and when the weather will permit walks out doors. Her cyesight is good, and she spends many hours confecting and doing fancy work. She keeps abreass of the times, and is remarkably well informed. She declares that she does not feel any older than she has for years, and if people half her sige enjoyed such health as she they would consider themselves fortunate. She has had seen children, four boys and three girls, two of whom are living to-day.

In 1895 she wrate to the proprietors of Paine's celery compound has been my hears confecting and the four the market of the missing the strength and strength.

Nothing in the past has ever approached it in power of building up weakened nerve tissues and giving strength to the tire dody. In 1895 she wrate to the proprietors of Paine's celery compound has been my hors confecting and the considered worthy the name of a true nerve food and bridge enjoyed such health as she they would consider themselves fortunate. She has had seen children, four boys and three girls, two of whom are living to-day.

Paine's celery compound has been my hears confecting and doing fancy work. She keeps abread many hours created have been seed to the continually but take ito castionally. Seelery compound is especially valuable for recruiting the stre Nothing in the past has ever approached it in power of building up weakened nerve tissues and giving strength to the tired body. In severe cases of persistent headaches, dyspepsia, neuralgis and sleeplesaness, due to nervous feebleness, Paine's celery compound has a record of rapid and lasting cures that embrace every city and town in the wide sweep of the United States.

the entire body will regain its health and strength. Take Paine's celery compound.
