The scheme is, in brief, to have the "public" raise a sub-scription—not more than it to be accepted from any one person-of \$3,000, with which a suitable championship belt is to be purchased for presentation to the winner. DR. W. H. VINGST,

Few bodily afflictions are more terrible than heart disease. To live in constant dread and expectation of death, sudden, instant death, with last farewells unspoken, is for most people more awful to contemplate than the most severe lingering illness. The slightest excitement brings great suffering and danger to people so afflicted. Such was the experience of the wife of

a well-known clergyman. She tells her story for the sake of doing good to others. "I feel," she said, speaking carefully and weighing her words, "that Dr. Williams" Fink Pills for Pale People relieved me of a lifeti ne of sickness and sorrow, and I cheer-fully recommend them."

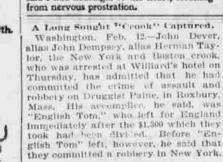

This grateful woman is Mrs. Wamsley, wife of the Rev. C. E. Wamsley, who lives on West Sheridan Street, Greensburg, Ind. She continued: "My heart became affected after the birth

The remedy that expels impurities from the blood and supplies the necessary mater-ials for rapidly rebuilding wasted nerve tis-sues reaches the root of many serious diseases. The concensus of opinion among the Democratic leaders in this county is that Garman's call is a well developed plan to keep the financial question in the background as an issue in the campaign of this year, but they assert his efforts will be of little avail
