WHOLESALE AND RETAIL.

(continued from Pirst Page.) the number of derivatives printed in Havans harbor, it is said at the navy department that nobody aside from the Spanish officers in Havana knows what has been done to protect the harbor in that manner. The location of these torpoloss is kept a profound secret, only a few officers of the army being

The navy department absolutely disedits the published story that divers have found an eight-inch percussion retury Long says that there is no such is no eight-inch torpedo, and there is sible that a shell exploding baide of the ship plexeed a hole of that kind in the outer skin, but that would be read augie, and whether or not the skin was It is more likely if there is any hole ar outlet of one of the numerous pieces from the inside of the Maine

Secretary Long positively denies that Captain Sigsbee has in any suppressed telegram expressed the opinion that a torpedo caused the disaster, or that it came from an external cause. The cap-said, on the contrary, that he could not

venture to express an opinion. up from its last cabled advices a list of the dead, wounded and rescued from the Maine. This list gives the names of 221 dead, 58 wounded and 18 rescued.

STORY OF A SURVIVOR.

Lieutenant Blandin Tells of His Escame From the Wreeked Ship.

Key West, Flu., Feb. 18,-Lieutenant John J. Blandin, of Baltimore, one of the survivors of the Maine, who is at the Key West hotel, gave a press correspondent last evening a succeinct account of the disaster, say-John A. Hughes brother of Mrs. William ing that not until now has he been in the awful ten minutes following the explosion Tuesday evening. Lieutenant Blandin was on the Trenton at the time of the terrible disaster off Sa-

"I was so the watch, and when the older danshver of Mr. and Mrs. men had been piped below I looked connect on the family residence on East side of the ship. Everything was abon street. The decreased was confined to solutely normal. I walked aft to the the bereaved parents were not prepared for is allowed after 8 in the evening, and so sudden a call from Death's messenger. mained for a lew minutes. Then, for reason I cannot explain to my and sat down there. I was feeling a bit glum, and in fact was so quiet that Lieutenant J. Hood came up and asked

laughingly if I was asleep. I said, 'No, I am on watch. "Scarcely had I spoken when there came a dull, sullen roar. Then came a sharp explosion, some say numerous detonations. I remember only one. It seemed to me that the sound cam a perfect rain of missiles of all descriptions, from huge pieces of ce-ment to blocks of wood, steel railings, fragments of gratings and all the debris that would be detachable in an explo-

of coment and knocked down, but I was not hurt, and got to my feet in a moment. Lieutenant Hood had run t the peop, and I supposed, as I followed, he was dazed by the shock and about to jump overboard. I halled him, and he answered that he had run to the poop to help lower the boats. When I got there, though scarcely a minute could have elapsed, I had to wade in water to my knees, and almost in-

water to feed them.
