tax collector, Beverly, Mass., who has passed the 80th life mile stone, says:

more of the cabinet session yesterday was occupied in the reading of a long report from the special agent of the postoffice department on the killing of Baker, the colored postmaster at Lake City, S. C. In view of the peculiar circumstances connected with the murder and the enormity of the crime, it was decided to increase the government's reward to \$1,590 in each case. Every effort will be made by the federal au thorities to bring the guilty parties to justice

ored Postmaster's Assassins. Washington, March 5,-An hour or

The action taken by the cabinet in the offering of rewards for the appre-hension and conviction of the guilty persons is said to be the most energetic ever agreed on by any administration in a similar case. It is said that At-torney General Griggs holds to the opinion that the federal government will have jurisdiction over the murder ers when captured, unless they are first taken by the state authorities. Baker it is held, was an officer of the govern-ment in the discharge of his duty, and the attack on him was similar to an attack on a deputy marshal or other government official.

gert. THE contest for the Republican nomination for Governor is becoming deferred his reply to the Bourse committee, and it is now generally be-Reved he will decline to become a candidate. In that event the contest may be Stone vs. Stone. There is no doubt that William A. Stone, of Allegheny county, whose principal supporters are the Quay leaders, will remain in the field and fight it out in terday and escaped with the girl to St the convention. Should Wanamaker Joseph. decline, his supporters, including those opposed to the leadership of Senator Quay, will probably turn to Congressman Charles W. Stone, of Warren county, as their candidate. Atchison, Kan., firm. The latter has held himself aloof from faction fights, and has main tained friendly relations with all the leaders of the party.

In a recent address Hon. Carroll D. Wright, United States Commissioner of Labor, put into brief compass two or three truths bearing upon the wide-spread unrest, prevalent especially in the industrial world of the present time, that are worthy of being carefully considered. Instead of being alarmed at this unrest and filled with forebodings on account of it, as many are, in his view there is ample reason for an encouraging, distinctively hopeful outlook. In a word or two he gave the ground of his faith. He said : "Out of all this agitation and discussion is growing a new political economy. It is producnew political economy. It is producing the coordinate man, who recog nizes and claims his rights and privileges. The demand of workingmen to-day is not for wages that will In the only comtaught to expect. It is only reasonable, right, and just that he should have these things, and a margin should exist above the iron law of been raised from ten to fifteen per cent. Labor troubles are not produced through ignorance, but through feets more cures than all others. which leads the workingman into labor disturbances is one which leads to a higher intelligence that will ultiintelligence, and the intelligence mately prevent these conflicts. The true remedy, if there is one, for the application of religious principles, and in nothing else."
