

NO CANDY IS BETTER

Than the kind we sell, for the reason that the maker uses only the best material, and above all, he knows how to make it. We charge no more for the best than some dealers charge for the inferior grade.

The Florida Limited Will Again Run on the Southern Railway. The Florida Limited, which is the synonym of all that is elegant in modern railway trains and which during its former service has been a prime favorite for tourists from the North seeking the mild climate of Florida, will be placed in service by the Southern Railway about the first week in January, 1908. With its return to service this train, which will be held in Philadelphia and St. Augustine will present features in the way of luxuries and comfortable appointments not heretofore presented, and which will be destined to add still further to its already well-established popularity.

The Southern Railway is having built for the Florida Limited service three vestibule cars containing a dining car, two drawing room sleeping cars, a compartment car and a library and observation car, each car complete in all its appointments and equipped with the very latest devices and appliances for the comfort and convenience of the passengers. While the schedule has as yet been announced, it can be stated that it will be the quickest ever arranged between Philadelphia and St. Augustine, and will be so planned that passengers can leave Philadelphia at any time at St. Augustine before midnight of the following day.
