# Bottled Up! ENGLAND'S GREAT NAVY

Whether in the form of pill powder or liquid, the doctor's prescription for blood diseases is always the same— mercury or potash. These drugs bottle up the poison and dry it up in the up the poison and dry it up in the system, but they also dry up the marrow in the bones at the same time.

The suppleness and elasticity of the

joints give way to a stiffness, the racking pains of rheumatism. The form gradually bends, the bones ache, while decrepitude and helplessness prematurely take possession of the body, and it is but a short step to a pair of crutches. Then comes falling of the hair and decay of the bones,—a condition to the bones,—a condition to the bones. dition truly horrible.
