THE GIRARD ESTATE.

Twenty Eighth Annual Report of the City Trusts.

The twenty-eighth annual report of the Board of Directors of City Trusts, advance copies of which were sent out yesterday to the members of the Board and officials of the Girard Estate, presents an interesting view of the operations of the various com-mittees. Touching the great extent of coal properties in Schuylkill and Columbia counties, the report says that the total shipments of coal for the year 1897 were less than in terday for Philadelphia, where he intend-any year since 1887. The total coal mined joining the United States Navy. was 1,410,023 tons, and the shipments to markst were 1,224,000. The total receipts
