POLITICAL POINTS.

Quite a number of Schuylkill Republicans have received letters from Scontor Quay, enisting their support in apposition to the Wannunker movement. They should bear the Brumm signature.

"Murt" Quinn of Pottsville, is a candidate for the Democratic nomination for Congress. The tide seems to be turning his way. Up to the present time Branco has ' corned down" five newspaper norm and appointed but one, a Democratic, and he has nover been commissioned. Of course, the press will

be a unit in his support. While M. E. Doyle, of town, has not yet consented to become a candidate for the Legislature, it is probable he will receive the Democratic nomination.

If Governor Hastings appoints a Controller for this county, his name will be Chus. A. Snyder, Esq.

John Kershner, of Tamogua, ex-member of the Legislature, will seek the Senatorial nomination this year. He was in Shenanoah last week circulating among the orkers.

The appointment of Surveyor of the Part at Philadelphia will probably be made this week. The contest is between Representa tive Lytle and John F. Finney.

The successors to County Commissioner Frank Rentz and John P. Martin, resigned, will be Frank Kantner, of Lofty, and Joseph Nichter, of Pottaville. Should Commissioner Meyers be ramoved, the Taxpayers' Associawill name his successor.

The Democratic pot continues to call the Democratic kettle black.

How many delegates will John Wara maker get from Schuylkill county? Wait and see.

Congressman Brumm, in an interview, 'I am very sorry to see the prospect o BAYN : fight in the Republican ranks, and hope that some way may be found to bring about a compromise. I know that a fight for Governor within the ranks will lose the party a number of Congressional districts. Just now we cannot afford that.
