THEY RIDICULE IT.

MANY PEOPLE RIDICULE THE IDEA OF AN ABSOLUTE CURE FOR DYSPEP-STA AND STOMACH TROUBLES.

Ridicule, However, is Not Argument and Facts are Stubborn Things.

Stomach troubles are so common and in nany cases so obstinate to cure that people ; are apt to look with suspicion on any remedy in Sheuandoah, and the pablic utterances of claiming to be a radical, permanent cure for the people. So many citizens have frankly claiming to be a radical, permanent cure for

dyspepsia and indigestion. Many such pride themselves on never being humbugged especially on medicines. This fear of being humbugged may be car

ried too far ; so far, in fact, that many persons suffer for years with weak digestion, rather than risk a little time and money in faithencit tendered to Nellie Farren, one fully testing the claims of a preparation so reliable and universally used as Smart's Dys

promptly, thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.

Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely upon the bowels, whereas

the whole nonble is really in the stomach. Stuart's Dyspepsia Tablets, taken after palpitation of the heart, loss of flesh and ap petite, and many other troubles which ar often called by some other name.

Butte, Mont., March 18 .- The boycott of the Chinese in Butte by the labor organizations, which has been prosecuted for several years and is now being investigated in this city, will result in an important international Ex-United States Senator meation. Wilbur F. Sanders, chief counsel for the Chinese government, which is seeking to enforce the injunction, stated yesterday that it had been determined to make a demand on the United States the government for indemnity for

financial loss sustained by the Chinese by reason of the boycott. At the conclusion of the injunction hearing the testimony will be sent to the Chinesminister at Washington, who will formulate a demand for indemnity and present it to the secretary of state. A great deal of testimony has been in broduced before Examiner Blake, showing that the business of Chinese in Butte during the past three years had

been ruined by the boycott. The Population of Shenandosh Is about eighteen thousand, and we wou

IT IS EASY TO TELL.

People who fail to look after their health re like the carpenter who neglects to sharper his tools. People are not apt to get anxious about their health soon enough. If you are 'not quite well?' or "half sick" have you ever thought that your kidneys may be the cause of your sickness?

It is easy to tell by setting aside your urine for twenty-four hours ; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is widence of kidney trcuble. Too frequent lesire to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder are out of order. There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased cidneys and all forms of bladder and urinary

troubles. Not only does Swamp-Root give

new life and activity to the kidneys-the cause of trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you

THE returning pilgrims from the Klondike tell some terrible tales about the suffering endured. Upwards of 300,000 people will go into the gold fields this year, and it is estimated that not one in a thousand will make his expenses, while of this vast army it is hard to estimate how many will return alive. A pilgrim from Klondike, says at Skaguay they are dying at the rate of 35 per day, and at Lake Linderman the average death rate is 160 a day. And the half has not been told.

THERE is every indication that the State Christian Endeavor Convention, to be held in Harrisburg next October, will be the largest gather ing of the kind ever held in Pennsyl vania. Preparations are being made the high sta for the entertainment of at least five thousand visitors. A fund is being raised to meet the expenses of the convention and nothing will be left undone to assure its success. Citizens generally are interested in the gathering of so many active young people and the Finance Committee reports much success in raising funds for the convention.

This seems like a queer name for a warship carrying the flag of that country, but the man thus honored was a native of the Southern Republie, and a fighter for it as well.
