

# Rheumatism

Is a blood disease and only a blood remedy can cure it. So many people make the mistake of taking remedies which at best are only tonics and cannot possibly reach their trouble. Mr. Asa Smith, Greencastle, Indiana, says: "For years I have suffered with Sciatic Rheumatism, which the best physicians were unable to relieve. I took many patent medicines but they did not seem to reach my trouble. I gradually grew worse until I was unable to take my food or handle myself in any way; I was absolutely helpless. Three bottles of S.S.S. relieved me so that I was soon able to move my right arm; before long I could walk across the room, and when I had finished one dozen bottles was cured completely and am as well as ever. I now weigh 170."

## A Real Blood Remedy.

S.S.S. cures Scrofula, Cancer, Eczema, and any form of blood troubles. If you have a blood disease, take a blood medicine—S.S.S. (guaranteed purely vegetable) is exclusively for the blood and is recommended for nothing else. It forces out the poison matter permanently. We will send you any of our valuable books. # ADRIAN ON AN ICE FLOE.

Terrible Experience of the Crew of the Steamer Mastiff.

## VESSEL CRUSHED BY ICEBERGS.

The Men Spent Forty-eight Hours on the Ice, and Some Were Made Inmate by the Sufferings They Endured. Several May Lose Limbs.

St. John's, N. F., March 30.—The steamer Mastiff was crushed in an ice floe off Cross Island on March 15, and the bottom was torn out of her by the bergs. The crew, with boats and provisions, left the ship and escaped on the ice floe, where they spent 48 hours, nearly every man being frost bitten, most of them severely. There were 185 men in the Mastiff's crew.

The ice broke up the first night, and a large party of men was plunged into the water. All escaped with their lives, but their misery was greatly increased by their misfortunes. The second night 12 went insane, but by great exertions on the part of the captain and the officers these unfortunates were kept under control and employed in various tasks.

Shelters were made under the upturned boats for those who were most seriously frostbitten, but many lives would have been lost if these had not been rescued before the third night. During the forenoon of the 17th the steamer New Foundland, Neptune, and Walrus appeared, and speedily transferred the castaways to their decks. They had remained many fainting from pure joy. Others became crazed and began to rave.

It is feared that many must lose their limbs. Arrangements are now making to provide hospital accommodations for the survivors when they arrive here.

M. L. Youm, Cameron, Pa., says "I was a sufferer for ten years, trying most all kinds of pills, remedies, but without success. Do Witt's Little Early Risers was recommended to me. I used one box. It has effected a permanent cure." As a permanent cure for piles Do Witt's Little Early Risers has no equal. C. H. Hagenbuch.
