White, Gray and Black. On damp days when the exhaust steam rolls up in great masses it makes a wonderful plume, issuing backward from the smokestack of the locomotive. When the fireman piles his shovel, it is charged in half its volume with dense black smoke, which changes to white, and then to gray, and which then disappears altogether, leaving the great plume all white as before. It has no color, but it is still of marvelous beauty, this giant plume in white, gray and black.—New York Sun.

Stomach Trouble

Stomach trouble is the common name applied to a derangement of the system which is keenly felt but vaguely understood. It may mean inability to retain food or to digest it. It may mean nausea, pain after eating, fullness, inordinate craving for food, or entire lack of appetite. Whatever it means, there's trouble, and it's with the stomach. If you have stomach trouble, you will be interested in this letter from a man who had it and was cured by

Ayer's Sarsaparilla

"For nine years I suffered from stomach trouble. I tried the aid of the best doctors of Philadelphia and Pittsburg, and spent large sums of money, all in vain. One day while waiting a train in Holliston, O., I picked up a paper with a notice of Ayer's Sarsaparilla. I got one bottle to try it. It did me so much good that I purchased five more bottles. I took four of them and gained in flesh, my appetite improved, and now I can eat anything. My stomach is all right, thanks to the use of Ayer's Sarsaparilla."—CALVIN M. STEVENS, Uniontown, Pa.
