Scrofula is Snake-Like

in its subtlety. It lies hidden for years in the ambush of the blood, and when it strikes it voids its venom alike on strength and beauty, disfiguring the one and undermining the other.

Ayer's Sarsaparilla

is a specific for scrofula in its worst and most malignant forms. Scrofula is a blood disease. Ayer's Sarsaparilla is a blood purifying medicine. Mineral medicines only drive scrofula below the surface. Dr. J. C. Ayer's Sarsaparilla is the disease. There is no remedy for scrofula equal to Ayer's Sarsaparilla.

"I was cured of a long-standing case of scrofula by Dr. J. C. Ayer's Sarsaparilla. The disease first manifested itself when I was a child, by breaking out in red blotches all over my body. I was not free from the trouble until I took several bottles of Ayer's Sarsaparilla. That effected a permanent cure.—Miss E. H. Sisson, Lehighton, Pa.

POTTSVILLE NEWS.

Case Against the Ashland Borough Dismissed This Morning.
Pottsville, Mar. 31.—Mrs. Sarah Bolich was non-suited in her case against the Ashland borough. Mrs. Bolich's son, while horseback riding, was thrown to the ground when the horse struck a pile of stones on the street and death resulted to the young man from the injuries he received. The stone pile was unguarded at the time. Judge Bolich decided that the stone pile having been placed on the side of the street between four and five o'clock the evening of the accident, and the borough authorities not having been notified, they could not, therefore, be held responsible.

The County Commissioners in the state are considering the contribution of a joint fund from the public funds to test the constitutionality of the alien tax law by carrying an appeal to the Supreme Court from the recent decision in one of the lower courts. Schuylkill county has been asked to join. Since the United States District Court declared the Act unconstitutional the corporations have gone by the advice of their attorneys and refused to collect the taxes.

A marriage license was granted to William Y. Ney and Miss Emma J. Arta, of Hegins township.

Judge Endlich directed a verdict in favor of the plaintiff for No. 3 portion of the property in question and left the rest of the suit to the jury. The land in dispute is in Pottsville township. The jury rendered a verdict in favor of defendant for Lot No. 2, a compromise.

JUDICIAL DRAWN.
The following Shenandoah people have been drawn as jurors for the term beginning May 2: John Stanton, Evan Bevan, John Bunn, John J. Cardin, C. H. Kirkin and William Derr.

—Rev. Alfred Heebner and family left town this morning for Philadelphia, their new place of residence.
—Dr. M. Hamilton spent a part of today at Pottsville.

—Justice William H. Shoemaker and wife returned last night from a visit to relatives at Baltimore, Md.

The Fur Seal.
The fur seal is a beautiful creature, long and slender, and has a small, delicate head, from which its two large eyes gaze at you with an expression almost human. Its body is covered with a heavy coat of soft brown fur, thickly sprinkled with long white hairs, which give it a puffed-out appearance. The seal changes its color to the well known siver black. The seal has four flippers, two in front and two behind. They are very powerful propellers, enabling it with ease to catch the fish upon which it lives.—Outing.

Shaky Logic.
"You certainly told me to embrace my privilege."
"Well, but I didn't tell you to embrace my daughter."
"No. But to embrace your daughter is a privilege."—London Fun.

German papers comment on the enterprise and business sense of the city government of Laub. The gasworks being the property of the town, the authorities have decorated all the gas lamps with large signs in red letters, reading, "Cook your meat with gas."

The population of Palestine is increasing rapidly. Ten years ago there were only 15,000 residents in Yafa. Today there are nearly 60,000.

Enlarging Reservoirs.

Rheumatism

Is a blood disease and only a blood remedy can cure it. So many people make the mistake of taking remedies which at best are only tonics and cannot possibly reach their trouble. Mr. A. S. Smith, Greencastle, Indiana, says: "For years I have suffered with Sciatic Rheumatism, which the best physicians were unable to relieve. I took many patent medicines but they did not seem to reach my trouble. I gradually grew worse until I was unable to take my food or handle myself in any way; I was absolutely helpless. Three bottles of S.S.S. relieved me so that I was soon able to move my right arm; before long I could walk across the room, and when I had finished one dozen bottles was cured completely and am as well as ever. I now weigh 170."

A Real Blood Remedy.

S.S.S. cures Scrofula, Cancer, Eczema, and any form of blood troubles. If you have a blood disease, take a blood medicine—S.S.S. (guaranteed purely vegetable) is exclusively for the blood and is recommended for nothing else. It forces out the poison matter permanently. We will send you any of our valuable books, Address Swift Specific Co., Atlanta, Ga.

POLITICAL NEWS.
Congressman Kulp, of Shamokin, in a recent interview, said that the only way to quiet the warring factions in the Republican party is to nominate Hon. John Leisinger for Governor. What's the matter with C. W. Stone?

William Wilhelm, Esq., states that steps have been taken to form a combination in Pennsylvania between the Silver Democrats, Populists and Silver Republicans, to control the election of state officers, candidates for congress and the legislature. The project is being engineered by prominent western silver Democrats and Republicans, among them ex-Congressman Joseph Sibley. If the combine is made Schuylkill county will be awarded a place on the state ticket, with the understanding that a silver Republican is to have the place.

It is understood the representatives of the Taxpayers' Association have relations to endorse or to write a letter in behalf of any of the numerous candidates for County Commissioner. Nevertheless they will have a representative on the Board, should Commissioner Meyers' efforts for a new trial fail.

Anti-Infidel Lecturer.
H. L. Hastings, the great anti-infidel lecturer, of Boston, Mass., addressed a large gathering at Frickville Tuesday night. He is making a lecturing tour of the county.

The Pottsville Chronicle says there are prospects ahead for Brown in the candidacy of J. Frank Farne, of Minersville, for state delegate.

Yesterday C. T. Strabel, of the HERALD, received from Isaac Stoen, President of the Republican Club of Pennsylvania, notice of his selection as a delegate to represent Pennsylvania at the National League Convention of Republican Clubs, which will be held at Omaha, Neb., on July 13, 14 and 15th, 1898. Hon. C. C. Matton, of Pottsville, has also been selected as one of the representatives from this county.

So far John D. Kershner, of Tamaqua, is the only candidate announced for the Senatorial nomination on the Republican side.

The committee appointed to assist Rev. Dr. Swallow to run an independent ticket for Governor, performed that duty yesterday at Harrisburg. He will also receive the nomination from the Prohibition party.

The retirement of Dave Martin as a member of the Republican City Committee of Philadelphia, does not mean his permanent retirement from politics. Dave is well and is merely avoiding the forthcoming storm in political circles. When it blows over he will be back again.

Thousands of sufferers from grippe have been restored to health by One Minute Cough Cure. It quickly cures coughs, colds, bronchitis, pneumonia, grippe, asthma, and all throat and lung diseases. C. H. Hagenbuch.

Funerals.
Mine Inspector Stein and Thomas Beddoe attended the funeral of William J. Thomas at Mahanoy City to-day. The deceased was killed in the North Mahanoy colliery on Monday. He was a brother-in-law of Division Superintendent Lewis Tassler.

A large concourse of mourners and friends attended the funeral of Miss Anna Flaherty, which took place this morning from the residence of her parents, Mr. and Mrs. Edward Flaherty, on West Oak street. Services were conducted in the Ammanation church where High Mass was celebrated. A number of beautiful floral designs rested on the coffin, of the kind of friends of the deceased. Interment was made in the Ammanation cemetery by M. J. O'Neill, the undertaker.

The funeral of Mrs. Susan Bowman, relict of David Bowman, took place from the family residence in Mahanoy City this morning. Rev. L. L. Lohr officiated at the service, assisted by Revs. H. A. Children like it. It saves their lives. We mean One Minute Cough Cure, the infallible remedy for coughs, colds, croup, bronchitis, grippe, and all throat and lung troubles. C. H. Hagenbuch.

Their Offer Accepted.
About three weeks ago the Washington Fire Company No. 1, of Ashland, numbering one hundred and fifty men, tendered their services to the United States government in case of war. The offer has been accepted, and the company yesterday received a letter from the Secretary of Navy to that effect. The members of the company are highly elated over the autograph letters.

Miners Burned.
Thomas Fullen, Michael Schilling and Charles O'Neill were burned by an explosion of gas in the Back colliery, Ashland, yesterday afternoon. The men were engaged in tapping a body of water when a feeder of gas was ignited. They were burned about the head, face and hands, but not very seriously.

MAHANOY CITY.

The Collieries Have Shut Down—Working Time Reports.
Mahanoy City, Mar. 31. The P. & R. collieries in this district suspended operations last evening and will not resume again until Monday morning. The officials are unable to say how many days the collieries will work next week and there is considerable speculation as to the rumor that the collieries will work six days during the month of April. At the present time coal is being stocked in the Pottsville colliery and it would appear that the possibility of working six days a week is very remote. The quota for the month would hardly justify the time stated.

Boston Run colliery is suffering from the recent freshets and the pumps are taxed to their utmost to keep the colliery working. The three dams built recently are overflowing.

The main shaft of the engine which supplies the boiler house at Boston Run colliery, which broke a few days ago, has been replaced with a new one and operations have been resumed.

In the case of William L. Thomas, who was killed at the North Mahanoy colliery, the coroner's jury rendered a verdict of accidental death.

Peter Beltz was arrested by Health Officer Ball on a charge of violating the health laws by dumping refuse upon an empty lot. He settled the case by paying a fine of \$10 and costs.

Chief Burgess, Business and Health Officer Ball will make a tour of the town to discover who throws ashes and garbage on the streets and alleys.

The Ladies Auxiliary of the Y. M. C. A., are preparing to give a party on Friday night, "Princess Rosebud." About two hundred young people and children are rehearsing daily.

A well attended meeting of the Board of Trade was held last evening. There are about 100 names on the membership roll and new ones are being constantly added. The mill located on the township road, near the Lehigh Valley railroad, had been purchased by Harrison Ball and John Kutz to be used as a shoe factory. The Board will guarantee the rent for three years.

Edward Sotherr, a young man employed as a laborer at the Tamaqua colliery, was seriously injured yesterday. He was assisting in unloading a car of rails when the index finger of his right hand was crushed between two rails that slipped from the pile. The finger was amputated.
