been accomplished in the three and able result of which would be a pacific crisis may bring.

The one great aim of the President is the independence of Cuba. If this can be accomplished without blood shed, it is best that it should. To fight is not always courageous or commendable. This nation has advanced so far upward in the scale of civilization and enlightenment that it shrinks from the savagery, brutality and horrors of war. It is to its honor and glory that this is true.

President McKinley believes that in this emergency war should be resorted to only as a -last means of effeeting the purpose upon which the people are bent. And he is right : eminently right. There is nothing cowardly in his action. He is care fully considering the best interests of the people whose chief servant he is. He is faithfully performing his duty. and in the end his great good sense. his splendid patriotism and his mighty courage will be understood tain Phillip to a press representative, and keenly appreciated.

The spectacle of the President firmly, undismayed by domestic ocean. elamor nor the threats of the foe, is worthy of the best days of the best sons of the Republic.
