

Mr. E. D. Jenkins, of Lithonia, Ga., says that his daughter, Ida, inherited a severe case of Eczema, which the usual mercury and potash remedies failed to relieve. Year by year she was treated with various medicines, external appli-cations and internal remedies, without result. Her sufferings were intense, and her condition grew steadily worse, All the so-called blood remedies did not scennt reach the dis-term of the construction of the construction of the construction of the mont prom-

ease at all until S. inent citizens of Lancaster, was shot An improvement was at once noticed. The medicine was continueed with fav-orable results, and now she is cured sound and well, her skin is perfectly clear and pure and she has been saved from what threat S.S. was given, when and killed yesterday by Ralph

Captain Adams Was Too Precipitate. Trenton, April 6.- The military aumartial for the purpose of trying Cap-tain Adams, of Company F. Screenth regiment, N. G. N. J. Company F is lo-cated at Beverly, N. J. Captain Adams' offense is that of having mordlessly caused a military starm to be sounded by the Boverly church and fire bells for the purpose of calling out the company. Captain Adams had received a circular order sent to all custains to have their companies in readiness to move on shortest notice in case war should be declared. Captain Adams had the alarm sounded, and the men-responded, and after a short narade through the streets of Eeverly were dismissed.

When he was handcuffed and led to the patrol wagon Wireback said: "What's all this crowd here for; it's too cold for campmeeting." He was taken to jail, wailing and remonstrating. David E Landis, the murdered man, besides the prominence which his po-sition as president of the Conestoga bank gave him, stood high in the business community, as a member of the grain and produce firm of D. THE TIMES,

Alabama and north Georgia show that the damage done to the fruit and herry crops by the frost of Tuesday and Wednesday night was very heavy. In many sections the peach crop was en-tirely killed and the berry crop cut in half. Early vegetables were killed al-most everywhere. The loss will amount to many thousands of dollars.
