## WHAT IT INDICATES

Nothing so interferes with one's plans or unbition like sickness or poor health. Have you ever thought that your kidneys may be the cause of your sickness? You can easily find out by setting uside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

It is a source of comfort to know that Dr. Kilmer's Swamp Root is the great remedy for all kidney and bladder complaints. It relieves pain, stitch or dull aching in the back, difficult or painful urination, frequent desire to urinate, scalding or pain in passing it, and quickly overcomes that unpleasant necessity of being compelled to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. Its action is gentle, yet immediate, the relief speedy and he cures permanent. At druggists lifty centand one dollar. You may have a sample bottle and pamphlet, both sent free by mail upon receipt of three two-cent stamps. Mention Herald and send your address to Dr. Kilmer & Co., Binghamton, N. V.
