WATCHFUL THIEVES.

What They Did in Ten Minutes Last Evening.
A car of beer was brought to by the Pennsylvania R. R. freight train at about six o'clock last evening and into the siding in front of Fleming's refrigerator, near the freight station. While the watchman, Henry Warnick, was lighting the switch lamps, thieves broke open and emptied the car. The watchman was not away from the platform more than ten minutes. He discovered the robbery by finding four or five kegs of beer on the ground where the car stood.

Seeking a Fortune.

Millions of people will fortune the fortunes of home and seek the life itself in their vain struggle to secure a fortune. They will endure all the torments of the body, and their struggles to obtain gold, but a far greater fortune to possess good health and the means to preserve it.
The Dr. J. W. Williams' Pink Pills for Pale People can supply you with a remedy for the worst attack of Neuritis that is so moderate a price that you are not obliged to go to the Klondike to obtain gold to purchase it. The worst cases are cured by the influence of this medicine.
James Smith, Lee, Va. Pa., Dec. 25th, 1893. Dr. J. W. Williams, Bloomington, Pa.
DEAR SIR—I have had heart trouble for the past 14 years and about 9 weeks ago, I was attacked with Neuritis of the heart, and suffered excruciating pain through my chest. My friends had no hope of my recovery as medicine seemed to be unable to control it. My son James, who was working in Bloomington, was sent for, and he brought me a box of your Neuritis Cure, sent for a box. After the fifth application, I was able to walk out to the table in my meals. It was entirely relieved.
MRS. JOSEPH REESE.

Price of Beef Advancing.
The price of beef has advanced, and is higher than it has been within the past two years, notwithstanding we have competing wholesale meat houses in town. The advance during the past several days, at wholesale rates, has been one cent per pound, and it will likely go higher, at least that is the opinion of a local dealer.
