The reply of Spain is awaited with great interest. There are some who profess that the Cortes, now in session, will accede to the demands of this government and withdraw from Cuba, leaving the people of that island to govern themselves. Torturing Rheumatism

Is no respecter of persons—the healthy and vigorous are as liable to its attacks as the weak.

The symptoms of the disease are almost unnoticed at first, so insidiously do they steal over the body; gradually the little pains and stiffness increase, until they develop greater inconvenience day by day. The knees, ankles and other joints of the body, ache constantly,

swelling to several times their natural size; the patient finds himself unable to get around—is soon incapacitated for business, and later is confined to his bed, utterly helpless. It is not generally known that the usual treatment for Rheumatism is decidedly injurious to the system. The doctor is able to relieve the first touch of the disease, but with the return of cold, disagreeable

ache more severely, and the disease gradually, but surely, possesses the entire body. Rheumatism is a disease of the blood, for which all physicians prescribe potash, mercury and other mineral mixtures. The effect of these drugs is like adding fuel to the fire-hence the in-

weather, the pains become sharper, and more constant, the bones

creasing severity of the disease. The right remedy for Rheumatism is a real blood medicine—one which is more than a tonic, promptly reaching and curing deep-seated blood diseases. Swift's Specific (S. S. S.) is the only known cure for obstinate blood diseases, and is the only blood remedy guaranteed purely vegetable, containing not a

particle of potash, mercury or other minerals. Half the hobbling rheumatics in the world were made so by mineral remedies.

"For years I have suffered with Sciatic Rhetmatism and often felt as if a fragment of bombshell had passed through my left hip. I could get absolutely no relief, though many remedies were tried. Mr. Frank T. Reynolds, of Rome, Ga.,

The

writes:
'I have suffered intensely with Muscular Rheumatism, which, at one time, kept me in bed for eighteen months. I took all kinds of treatment, and visited many famous springs, but could get only tem-porary relief. S. S. S. seemed to get at the disease promptly, and effected a per-manent cure."

Don't continue a treatment which does more harm than good. The only cure for Rheumatism is a purely vegetable, real blood remedy. Take S. S. S. and be cured. Books on Blood and Skin Diseases will be mailed free, to any address, by Swift Specific Company, Atlanta, Georgia.
