What does A stand for ? When some friend suggests that your blood needs A sarsapariila treatment, remember that A stands for AYER'S. The first letter in the alphabet stands for the first of sarsnparillas; first in origin, first in record, first in the favor of the family. For nearly half a century

Sarsaparilla

has been curing all forms of blood diseases scrofula, eczema, telter, rheamatism, crysipelas, blood poisoning, etc. There's a book about these cures-"Ayer's Curebook, a story of cures told by the cured," -which is sent free on request, by Dr. J. C. Ayer, Lowell, Mass. The book will interest you if you are sick or weak, because it tells not what it is claimed the remedy will do, but what your neighbors and fellows testify that it has done. Will it cure you? It has cured thousands like you. Why not you?
