## CABINET BREAKS UP. NEW BOOM IN TOWN.

# More Public Expression on the Subject.

The improved condition of the public is an MAKEUP OF THE NEW COUNCIL. important question. Doubly so to us, when it refers to the Shenaudoah public. Hundreds of our citizens have learned to appre ciate the lifting of the heavy burdens that backs have borne for many years. It has been a great struggle for many, and now that relief has come at last, it is welcome. Of course everyhedy should know about it, and 'tis the educating of everybody together with minister of public works; Senor Moret, gratitude and than's fulness that brings forth

The senate adopted the financial proposals of the government after Senor Pulgeerver, minister of finance, replying to fear expressed relative to the increase in the note circulation, de-clared that the government would act with the utmost caution. The whereabouts of the Atlantic

squadron still remains undivulged, ministers refusing to give any information on the subject.

Official dispatches from Havana confirm the reports of an American re-pulse at Cienfuegos. They assert that the firing lasted eight hours, and that the American losses were heavy. Owing to the increase in the price of food there have been serious disturb-

ances at the Rio Tinto mines, province of Huelva. The rioters wrecked octroi office and raided a number of tosacco stores. The military now occupy the whole mining district.

There society ladies sold red and yellow flowers at a high figure, the proceeds going to the national fund.

The bull ring yesterday was packed to suffocation. The boxes were filled with the highest society and the most beautiful women in Madrid, nearly all wearing white mantillas. The opening procession was of unprecedented splendor. There were ten Alquazils, heralds and hatberdiers, attired in old Spanish costumes, 20 picadores, 2 banderillos and numerous attendants all superbly dressed and making a most gorgeous spectacle.

The first two bulls were fought in mediaeval fashion by two envaliers who made a splendid display of horse manship, charging the bull with short ances, which broke off when drives

Sampson has sufficient forces handy to land and hold the place. If so, his feat will be regarded almost as daring as Dewey's. It is supposed that the feat will be regarded almost as daring as Dewey's. It is supposed that the news that the bombardment had begun was dispatched by some one who had command of the wires at San Juan or permission to send a message. The Spanish reports recently have said that the San Juan forts had been much strengthened, but looking at the state of affairs at Manila, little credence is given to this report, and it is judged that Admiral Sampson's task will not be very difficult.
