SAMPSON DID NOT **RETURN TO KEY**

The Flagship New York Returned But Sampson Remained in a Strategic Position to Intercept the Enemy on the Southern Coast of Cuba if They Appear.

Special to EVENING HERALD.

Evening

WASHINGTON, May 21.

Important facts have leaked out to day regarding Sampson's fleet. It is stated that the cruiser and flagship New York was the only ship that returned to Key West and that Rear Admiral Sampson remains in a good strategical position to descend upon Admiral Cervera's fleet should it that Admiral Cervera's fleet has left Sautiago tory. Schuylkill county will be repreappear on the southern coast of Cuba.

This position, it is believed, is at the Windward passage.

It is believed Sampson is informed by scouts of the Spaniards' presence. It would not be surprising if news came that Sampson had headed off miral Sampson and the flying squadron under Cevera's fleet.

It is also said that reenforcements have been hurried to Sampson and he blockading squadron has been strengthened.

THE AMERICAN FLEET CANNOT NOW FAIL

Special to EVENING HERALD.

Key West, May 21 .- This city is in a ferment in anticipation of auxiliary emisers. Besides these, our flag big news.

It is hinted in the circles of people that should know that matters are now so arranged that it seems impossible for the American fleets to

fail in accomplishing their purpose. It is also confidently believed that negotiations for peace will begin within a month.

Admiral Cervera's Danger.

London, May 21.-Admiral Cervera's Porto Rico and the position of the London, May 21.—Admiral Cervera's porto files and the position of the maneuver excites the keenest specula-tion here. In some quarters the whole ed, disorganized and dispersed the lat-story is regarded as a ruse designed to hurry up the Spanish government and the spreading of it broadcast is sup-posed to hide some sinister move. The torpede bonis Azore, Rayo and Ariste steamed from the Cause Verde Verd
