Every **Blood Disease**

Can not be cured by every so-called blood remedy. In fact, there are few blood remedies that really cure any blood disease. Swift's Specific (S. S. S.) is absolutely the only one which can have any effect whatever upon deep-seated, real blood diseases. There is not a disease of the blood, it matters not how obstinate, which it does not promptly reach and permanently cure. The greatest claims for S. S. S. are made by those whom it has cured.

THROWN FROM A HORSE.

Mr. H. Kuhn, of Marion, Kas., writes : "A few years ago my granddaughter, Bertha Whitwood, was thrown from a horse, sustaining a contusion of the scalp, which resulted in blood poisoning. For more than a year there were running sores on her head and neck, which the constant treatment of the best physicians failed to arrest. As a last resort S. S. S. was used, soon affording relief, and in a few months she was cured entirely."

YEARS OF SUFFERING.

Mr. Chas. Glenn, 1563 Dudley St., Cincinnati, writes: "From childhood I was afflicted with a terrible itching skin disease, for which I have been treated constantly for years. My entire body was covered with blotches, and some of the best physicians in this city have endeavored to cure me. S.S.S. is the only remedy equal to the disease, however, for it has cured me completely, and I shall never cease praising it.'

ABLAZE WITH ERYSIPELAS.

Miss Ada Wainwright, of Alamo, Tenn., says: "I have suffered agonies with bone erysipelas; one of my limbs became so inflamed that it had to be lanced constantly. The best physicians treated me for three years, and I was finally declared incurable. Some one suggested S. S. S., and the first bottle made an improvement. Six bottles effected a cure, leaving my skin clear and pure, without a sign of the dreadful disease

COVERED WITH SORES.

Mr. H. L. Myers, 100 Mulberry Street, Newark, N. J., writes: "For two years my body was covered with a mass of itching sores caused by impure blood, which gave me incessant pain. I was given various treatment, but got worse steadily, the best physicians being unable to relieve me. A few bottles of S. S. S. cured me completely, and I am sure it has no equal as a blood remedy.
