Escape For the Spanish Admiral Our

Boaton, May 26,-Dr. P. F. Hyntt, United States consul at Santiago de Cuba, arrived here yesterday from Port Antonio, Jamaica, to which place he removed from Santiago just previous to the declaration of war with Spain. Dr. Hyatt states that when he left Cuba, on April 6, things were in a bad condition, and there was much feeling over his action in turning over American interests to the British consul. Dr. Hyatt says that the harbor of Santiago is mined, especially at its mouth, and the entrance is tortuous. Little can be seen from the

"If the Spanish fleet is really within the harbor," he said, "it is bottled up and as good as demolished. The guns for the most part are not of the latest pattern, aithough there are some tiptop ones. But the American squad ron could easily silence them all. The ares quickly and permanently. At any Cuban government quarters are within 40 miles of Santlago, near Bayamo,

Every mother feels an indescribable dread of the pain and danger attendant upon the most critical period of her life. Becoming a mother should be a source of joy to all, but the

suffering and danger of the ordeal make its anticipation one of misery,

is the remedy which relieves women of the great pain and suf-

fering incident to maternity; this hour which is dreaded as woman's severest trial is not only made painless, but all the danger is removed by its use. Those who use this remedy are no longer despondent or gloomy; nervousness made ready for the coming event, and the serious accidents so common to the critical hour are obviated by the use of Mother's Friend. It is a blessing to woman.
