The Speaker says: 'Probably the real aim of Admiral Cervera's opera-"Probably the tions is less naval than political, and is meant less for use in America than Europe. It is all desirable for the Spanish ministry to gain time. revolutionists cannot move until a disaster comes. Meanwhile Spain can point to the intensified agonies of the reconcentrados and bid Europe behold the results of American humanitarianism. There is also the possibility of an European war that would give Spain

Private letters from Madrid suggest that the queen regent and her ministers would be only too glad of an opportunity to escape from the present intelerable situation. The war fever is steadily abating among the Spanish educated classes and the commercial classes especially. All that seems nec-cessary to induce Spain to invite the good offices of France and other powers to bring the war to a close is a good opening. This, in the view of diplo-matists, is likely to be supplied by the

Peace Unionists Protest. New York, May 28.—The New York Universal Peace union met yesterday, and a copy of the letter which Alfred Love, national president of the union wrote to the queen regent of the union, wrote to the queen regent of Shain in the interests of peace, was read. After considerable discussion a resolution was passed that "the New York Universal Peace union does not indorse the stand taken by President Love, or the national organization, and that peace must not be purchased with dishonor, but must come only with a guarantee of protection and freedom for the defenseless non-combatants, women and children, Spain has so ruth-

lessly starved and torrured. He Invited His Fate.

An incident that pointed a strong moral took place on Chestnut street. The street was thronged with promenaders, and the magnificent St. Bernard deg which a young woman was leading attracted much attention. Near Thirteenth street the woman entered a store, leaving the dog outside. The day was such a m wrecking of the Spanish fleet now supponed to be in Culum waters.

The ignorant classes of Spaniards,
especially in Madrid, misled by faise
news, cling to the notion that Admiral
Cervern somehow will redeem the sitpation.

About this time two glidy youths, who
were followed by a mischievous fox terrect came along and passed to see what
was attractive, thereof. was attracting the throng. The terrier which was but a mite beside the St. Ber nord, rushed in and began smarling at the big dog. The noble looking beast paid not the slightest attention, and the youths
