

THE EXCELLENCE OF SYRUP OF FIGS

is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the CALIFORNIA FIG SYRUP Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will nesist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALI-FORMA FIG SYRUP Co, with the medi-cal profession, and the satisfaction cal profession, and the satisfication which the genuine Symp of Figs has given to millions of families, makes the name of the Company a guarantic of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company -

'FLAG OF THE FUTURE" Displayed at an Anglo-American

Banquet in London.

LAUDING OUR ACHIEVEMENTS.

Fraternity and Future Alliance Pervaded All the Speeches, and the Britons Vied With Each Other in Extolling Our Institutions,

London, June 4 .-- A most unique and significant, as well as one of the most enthusiastic banquets ever given in London, was the Anglo-American ban-299999999999999999999999999999999 quot given last evening at the Hotel Cocil. Six hundred Britons and Amerians assembled fraternally, the purpose of the entertainment being the promo-tion of good fellowship between kindred races, Englishmen, many of whom bad experienced American hospitality, wore the hosts, while resident Ameri-

American and British flags were fraped over the tables, at which were both mon and women with "the flag of the future," the Union Jack and the Stars and Stripes blended, on coats of arms. All wore buttons emblazoned with the two flags surmounting the Canadian beaver. Lord Bernard Coleridge presided.

Toasts to the queen and the president of the United States were honored, accompanied by the strains of "God Save the Qucen" and "The Star Spangled Banner.

Lord Coloridge, in proposing the "Where can the old world show such a line of rulers of men as have been the free choice of the American peo-

"Fraternity and the future alliance" pervaded all the speeches. The British speakers louded the achievements of the revolution as enthusiastically as if these had been their own victories. "Mother country" and "sons beyond the sea" were phrases reiterated by all the speakers. The Bishop of Ripon excited the

greatest enthusiasm by a pointed ref-erence to the war, saying that although both nations had been accused of wor-sh'ing the dollar, "we both know when to spend our money, and we know that some causes are worth spending any price for." Lord Coleridge prayed that victory might perch upon the American banner . "In the interests of America, in the in-terest of Spain and in the interest of Fichisississississississississi common humanity. Twice America has fought with all her might. The first fight was forced by the imbecility of the king, and she was right. The second time she fought for the freedom of daves, and the same spirit is with her

Sir Frederick Pollock predicted that there would be "one fleet under two flags to keep the pence of the world."

Jersey Wants to Send More Soldiers. Trenton, June 4.-Governor Voorhees, Adjutant General Stryker and Colonel Oliphant, of the governor's personal staff, left Trenton last night for Washington, for the purpose of having a conference with the war department officials with respect to furnishing troops from New Jersey under Presi dent McKinley's second call for 75,000 man. Covernor Voorhees and the state military surfactives are anxious that the government will accept two full regiments. If the government does not consent to this the government does not consent to this the government will ask that one full regiments he accepted in addition to the men necessary to aug-ment the regiments already mustered to fm.

An Enterprising Druggist.

There are few men more wide awake and uterprising than A. Wasley who spare n ains to secure the best of everything in the line for their many customers. They not have the valuable agency for Dr. King's New Discovery for Consumption, Coughs Colds. This is the wonderful remedy th

SCHLEY SENDS A REPORT

The Published Story of Tuesday's Reconnoisance at Eantiago Confirmed by the Commodore.

Washington, June 4.-A brief bulletin telling of Commodore Behiey's recom-noisance at Santingo on Tuesday was noiseance at Sanitiage on Tuesday was all the information the nexy deput: ment had to distribute to the press yes-terday. This bulletin went to confirm the press dispatches which told of the firing on the fortilications at Sanitage, but which have been so steadarity dis-terday and the failure of the first rough, the firing confirms the statements that our vessels escaped injury. It appears from the bulletin given out that Com-modors Schieg concentrated a pretry Versiels see aped injury. It appears from the bulletin given out that Commodian Schley concentrated a prestry good fire upon the Spaniah defenses, and it seems probable that had he found conditions more providious than they were he would have resolved the recomposition and the formidable that forces. The great natural strength of the Spanish position and the formidable that they determine at Paris which The Epoca welcomes and indexes, believing the they are appeared in the place. The great natural strength of the Spanish position and the formidable that they have been when not to direct any such recides assaults upon the place, in the absence of proper forces, as had been advocated in some guarters. The problem would be simplified were it known that there were no mines in the channet.
H remains to be seen how Sampson

In the channel. It remains to be seen how Sampson is going to solve this problem, whether by the use of the Vesuvins, with her dynamite prefection, by the aid of divers, or by recourse to the old method of dragging for the mines with small bests, as in code calls of the sile of the solve the mines with small bests, as in code calls of the sile of the solve the sol boats, as in cable cutting operations. The owners of the Holland submarine boat, who had proposed to go into Suns. Eductric Oil in the house. Nover can fell things harbor and destroy the Spanish what moment an accident is going to happen. warships at so much a versel, have come forwards with a request for a practical test by the naval officers of their craft. The navy department was obliged to decline to entertain the first proposition, as is smacked of privateer-ing, and was in violation of interna-tional law. The principal objection was that the boat could not be in regular commission and in command of a naval officer. Besides, they contorded that she had never been thoroughly tested. Now the boat's owners propose that a naval officers of divers be designated to go down in the Holland, and then that she be commissioned. Notwithatanding the railer positive statement coming from Januaica to the effect that the second Spanish flext from Cadiz has crossed the Atlantic

concert that the second Spanish fleet from Cadiz has crossed the Atlantic and is about to Join Cervera at Sanii-argo, the officers of the navy department refuse to be frinchtenod at what they declare to be a bugaboo. It appears that the basis of their confidence is a telegraphic report declaring that the Cadla feet is still at Cadiz, Morsover, Philadelphia, June 4 -The Colonial
