The Measure Goes Through the Senate by the Decisive Vote of 43 to 22.

Washington, June 11.-Shortly after 4 o'clock yesterday afternoon the con-ference report on the war revenue bill was agreed to by the senate, after a discussion lasting four hours. The debate upon the measure was without special incident and was entirely devoid of acrimonious features. It was a foregone conclusion that the report would be agreed to, and the only question of interest involved was how soon

a vote could be reached.

The debate indicated generally that Every mother the bill as agreed upon by the confer-feels an inde- rees was reasonably satisfactory to everybody except as to the bond pro-vision. The votes cast against the of the pain and adoption of the report reflected the danger attend- opinion of those senators who are op-

The Demoto all, but the crats who voted for the adoption of the report were Messrs, Gorman, Lindsay, McEnery, Mitchell, Morgan, Murent was Mr. Kyle. The vote against the report was cast by 16 Democrats, three sliver Republicans and three Pop-

ulists. As soon as the engrossed bill can be signed by the presiding officers of two branches of congress it will be

sent to the president. Just at the close of the session last evening a bitter personal discussion was precipitated by Mr. Butler, of North Carolina, who attacked Mr. Kyle for having voted for the issuance of bonds. Mr. Butler, speaking as the chairman of the Populist national committee, officially declared that Mr. Kyle did not represent the Populist party. Mr. Kyle replied warmly, saying that he was responsible for his political actions not to Mr. Butler, but to his conscience and to his constituents. sequently he denounced as "intentional malicious falsehood" some statements made about him by Mr. Pettigrew.

NCLE EZEKIEL OBEAR, assessor and tax collector, Beverly, Mass., who has passed the 80th life mile stone, says: "Dr. Miles' Restorative Nervine has done a great deal of good. I suffered for years from sleeplessness and nervous heart trouble. Would feel weary and used up in the morn-ing, had no ambition and my work seemed a burden. A friend recommended Dr. Miles' Nervine, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully, I thought it no use. But it gave me restful sleep, a good appetite and restored me to energetic health. It is a grand good medicine, and I will gladly write anyone inquiring, full particulars of my satisfactory experience."
