OUR COUNTRY : First, Last and Forever.

Further the whole Republicans their first is bounded by Brumme for the party to take any changes with that account of the number of the party to take any changes with that account of the number o

that the government has made re-markadic progress in its preparation for and conduct of the war against Spain. The declaration of war against that country was declared only a little over six weeks ago, yet there are many disatisfied because Cuba is not vet free.

Cuba is not yet free. At the outset the government had to face conditions created by over theiry years of unbroken peace. We had a standing array of only 25,000 men, poorly compred and scattered over a vast area. Entoring upon a war that is to be largely naval, we had few good warships ready for ser-vice, and none that was provided with the necessary armament for the most effective action. Five of our with the necessary armament for the most effective action. Five of our third sector and in the new solution which would be encoded emissive were disabled and he dry dock. One of the interactional mean he prime in the prime of the matching were disabled and best of our four first class to the profile coast. IS 000 miles from the sect of war. Our solution would be the sector in the sect of war.
