One Red Rose Bent For a Church Site.
A unique celebration occurs in June of every year at Mansfield, Pa., according to "The Ladies' Home Journal." It is known as the "Red Rose" and is held to commemorate the death of a young girl, who more than a century and a quarter ago founded a tract of land at Mansfield to a congregation for a church site at an annual festival of one red rose to be paid in June of each year. After the girl's death the rose was never demanded until a few years ago, and now it is formally paid to one of the town's descendants. The occasion is known as "the feast of roses" and the "maiden" ceremony attracts the greatest throng.

Dandruff is Dangerous

When dandruff appears it is usually regarded as an annoyance. It should be regarded as a disease. It prevents the hair from growing, and leads to baldness. Dandruff should be cured at once. The most effective means for the cure is found in AYER'S HAIR VIGOR. It promotes the growth of the hair, restores it when gray or faded to its original color, and keeps the scalp clean and healthy.

POLITICAL POINTS.

The free silverites in this district are preparing for an active campaign. They have arranged for several public meetings, at which addresses will be made by John O. Ureth, Rep., Daniel Gorman, M. J. Lawlor, William Wilhelm, Esq., and others. The first meeting will be held at Mahanoy City on Tuesday evening, to be followed by meetings at Shenandoah, Tamaqua, Girardville, and other towns.

William Anderson, Novelist candidate for the legislature, will not be held until the latter part of September, says the county chairman. William Wilhelm has Congressional aspirations, and his friends pretend to discover a silver lining to the dark clouds hovering over the political horizon in this county. Mr. Wilhelm is a consistent and earnest advocate of the white metal.

STATE HOSPITAL TRUSTEES MEETING.

The New Members Make No Changes in the Present Management.

The Board of Trustees of the State Hospital at Fountain Springs held their regular quarterly meeting yesterday afternoon, when Robert Allison, of Port Carbon, who succeeds Wm. H. Lewis, P. D. Heine, of Pottsville, succeeding Dr. J. L. Linton, and Hon. Grant Herring, of Bloomsburg, who succeeds Charles F. King, were present, and being duly recognized members of the board. T. M. Richter, of Mt. Carmel, was elected Treasurer of the board, vice Wm. H. Lewis. The meeting was the first since the organization is not held until January.

Dr. Olin G. Barker, of Ebensburg, Pa., and Dr. George Fox, of Hummelstown, were elected as assistants to Superintendent Bidde to fill vacancies created by resignations. Several of the county papers have made statements to the effect that there was trouble in the Board of Trustees that was likely to result in the removal of Superintendent Bidde, but it is not so. One of the trustees when spoken to on the subject said that so far as he knew, it is the intention of the trustees to run the institution in the best interests of the state and the people whom it is intended to benefit, and as long as he Bidde demonstrated his capacity to manage the institution as well as he has in the past fourteen years that he has been at the head of it, he did not think that there would be any change made. When he does not show that capacity then it is time enough to think of making a change.
