Turs is not going to be a Democratic year in the great Republican state of Pennsylvania. The government of publidelphia. our state will not be handed over to the party that represents Bryan and his ruinous sophistries. And the same can be said of Selmylkill county with the countries much emplinsis.

THE Republican leaders of the county are waiting to see what the amin's alle to surry out my obligations not Democrats do on July 11th, the date for their county convention. The developments of that guthering will have much to do with the complexion of the Republican ticket.

Young Letter's Unjust Gains.

The biter has been bitten once more, says the Philadelphia Star, in commenting on young Leiter's dealtook in wheat. The whole country will be tempted to take supreme satistaction in the retribution which has come to the during grain speculator of Chicago, who, for some months the authority of the Borough of Shemandool past, has been using his rich patri-mony to corner the wheat market, and make millions of dollars without when called on by him for such purpose, of key, F. V. N. Painter, of Remoke College. doing a stroke of honest work, the general result being the laving of unjust tribute to the extent of many millions of dollars, upon the citizens, tend opposite the owners made in a negative of the United States.

or later and so it longht always to be. It has been claimed that there is no way in which this sort of speculation can be checked, but if our legislators, state and national, comprehended their full duty to the pecular and Such financial adventurers generstate and mational, comprehended their full durfy to the people, and were not so shamelessly in the grip of within the Broads of Siemnodah, unless the Broads monopoly themselves, they would do monopoly themselves, they would do such dog or bitch shall have a strong muzzle something effective to protect the or shield of wire scarcely fastened over the public from the misuse of privileges and of such a dog or bitch so us to prevent and the levying of tax upon the many effectually my injury from biting, and it

tive arena is as nothing compared of this section that be disposed of as pre-sided in section three of this architecture. with the injury done to communities 6.15-if in general. Every conspiracy having for its object the arbitrary and selfish control of the price of commodities which the people must consume, is in direct violation of the sume, is in direct violation of the America and Fire Association, Hartford spirit of our institutions, Through Fire Ins. Co., American Fire Insurance Co. such combinations great fortunes are
