SUPPLIES FOR BLANCO.

Secretly Slipped Out of the Harbor of Kingston.

PASSED AN AUXILIARY CRUISER.

The Captain and Officers of the Yosemite Allowed the Purissima Conception to Pass by Unchallenged—The Rich Prize May Yet Be Captured.

Kingston, Jamaica, June 17.—The Spanish steamer Purissima Conception, loaded with food for Manzanillo, left Kingston at 2 o'clock yesterday morning, taking a westward course.

The Purissima Conception arrived at Kingston in the latter part of May from Manzanillo, with a Spanish consular officer, in disguise, seeking supplies. She already had on board a large amount which had been obtained elsewhere.

The captain and officers of the auxiliary cruiser Yosemite (formerly El Rio) feel foolish and are thoroughly vexed. As the Yosemite approached Port Royal about 5 o'clock yesterday morning she passed a large steamer going out.

The Yosemite, with other American cruisers, had been specially warned about this Spanish ship, as she would be a rich prize. It is believed that the Spanish agent, Lieutenant Commander Joaquin Montague, is also on board.

It is by no means certain that the auxiliary cruiser Prairie (formerly El Sol) will catch her, though the Prairie was on Wednesday evening in the course the Purissima Conception was taking yesterday morning.

Remarkable Rescue. Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse.

offers a Premium for the Bonds. Washington, June 17.—A well known business house yesterday made a proposition to the secretary of the treasury to subscribe for \$50,000,000 of the new bonds at 101.

THE SANTIAGO EXPEDITION.

Officials Expect Some Important News Within Twenty-four Hours.

Washington, June 17.—In the way of actual events there was little to record yesterday. No word came from Sampson at Santiago or from Dewey at Manila.

There was an exhibition of feverish activity at the war department yesterday, so pronounced as to attract attention even in these stirring times. It was apparent that renewed efforts were being made to complete the equipment of the troops already gathered at the concentration points, and that preparations are in progress to move a number of troops. So far, however, it is stated that no orders have gone out for the actual movement, and what has been and is being done in that direction is merely preparatory.
