London, June 21.—The Hong Kong correspondent of The Daily Mail says: United States Consul Wildman has received no information from his government with regard to the future of the Philippines. General Aguinaldo desires that the islands become an American colony. He declares that if he cannot be connected with the United States he will insist upon a republic being formed. If any other country than the United States wishes to secure control of the Philippines that country will have to fight for it. Aguinaldo is faithfully keeping his pledge to Admiral Dewey.

Humphreys & Rowe, of Ashland, will begin work at once on their contract of laying the eight-inch water pipe from Waste House Run to St. Nicholas. The six-inch pipe to be taken up will be relaid to supply some of the P. & R. collieries in the Shenandoah district.

BUFFALO BILL'S SHOW.

A Pageant of Past Epoch Draws Big Crowds to the Town.

The appearance of Buffalo Bill's Wild West and Congress of Rough Riders in Shenandoah was greeted by large crowds to-day, people coming from every section of the region to witness this most unique and comprehensive of all warlike and equestrian displays. The street parade was late in starting, owing to the tardiness in transportation from Danville.

The parade was headed by Buffalo Bill [illegible] Cody. It was in every sense a warlike and historic mounted march of widely different nationalities, and one which no other management has yet successfully surpassed. The riotous throng, the herd of buffaloes, the vicious looking broncos, the dangerously wild steers, and other features not germane to such a spectacle, are left in camp. The idea is, not to mislead, but to give a fair and novel suggestion, and splendidly is it accomplished.

Following the renowned Cowboy Band on horseback; hundreds of war-painted Sioux chiefs and braves, who fought with savage courage to defend their hat hunting grounds and dream homes; showy Cossacks from the Caucasus, to whose chieftainship Mazeppa rode in Byron's splendid poem; and who proved such a scourge to Napoleon; Gaelic Bedouins on their Arabian steeds; Lancers, Chasseurs and Cuirassiers from the crack cavalry regiments of European standing armies, under royal standards; and superbly accoutered; Uhlans, South American Gauchos, detachments of United States Cavalry and Artillery, with batteries of field guns; jaunty Mexican Rurales, Vaqueros, Celtes, dashing Cowboys, Wild West girls, Scouts, Frontiersmen, Texas Rangers, the old Deadwood Mail Coach, Emigrant Outfit, glittering arms, aboriginal weapons, flags, pennons and hundreds of prancing horses, ridden by all the world's fearless rough riders.

These are but a glimpse of the historic, romantic and striking attractions of Buffalo Bill's great show, which attracted an immense crowd at the performance this afternoon. Another performance will be given this evening, in an arena provided for 25,000 people who will be sheltered amply from rain. The arena will be lighted brilliantly by an electric outfit.

Minor Court Notes.

The charge of court in the case of John Micklavis vs. Weimer & Co. was filed.

In the case of Wm. Nelsenmeyer vs. the P. & R. Railroad Company, J. F. Mingone asked a rule upon the defendant to show cause why they should not plead.

Counsel interested in the case agreed that the rule for a new trial in the case of Emil Henschel & Co. vs. A. Bulesky be discharged.

In the estate of Louisa Bender, deceased, court ordered a citation on Lewis Bender to file an account. Returnable July 11.

The county treasury is empty and yesterday County Treasurer Davis drew on his private account to accommodate constables.

Detectives Levi G. Bobb, of Mahanoy Plane, and Richard Amour, of Shenandoah, were called before Judge Bechtel yesterday afternoon for trial on four charges of extortion brought by Rechaca Wales and Wojah Wales, Syrians, who reside at Shenandoah. The prosecutors claim that the detectives collected fees from them for peddling. The case was resumed this morning. M. M. Burke and W. J. Whitehouse for prosecution and W. A. Marr for defense.

Judge Koch heard testimony in the equity case of Mine Inspector Maguire vs. the Marion Coal Company, on the preliminary injunction restraining the company from operating the Chamberlain colliery, claimed to be in an unsafe condition, and in violation of the mine laws.

Base Ball.

An exciting game of base ball was played on the Wm. Penn grounds yesterday afternoon between the Wm. Penn Blues and the Lorbers. The latter team was defeated by a score of 20 to 18. The line up was as follows: Wm. Penn Blues—John Birkelbach, c.; Ben Frantz, p.; William G. Jones, ss.; Charles Hughes, 1b.; James Chalmers, 2b.; Thomas Fox, 3b.; William J. Jones, rf.; David Mallard, cf.; William Rick, lf. The Lorbers: John Vaughn, c.; Harvey Birkelbach, p.; Reese Lewis, ss.; Harry Harris, 1b.; James Malloy, 2b.; George Taggart, 3b.; William Chalmers, rf.; Edward Jones, cf., and Patrick Golden, lf. All challenges should be sent to Joseph Taggart, Wm. Penn.

At Payne's nursery, Girardville, you will find the largest stock ever seen in the county.

The attention of housewives is called to the unexcelled baking and cooking qualities of this range.

The Grant Band will hold an ice cream festival in Robbins' opera house on July 1st and 2nd. 6-10-4d

Received the Contract.

The grocery firm of G. W. Keiter was last evening awarded the contract to furnish the groceries for Buffalo Bill's Wild West Show. Manager Reilly, and his corps of assistants, were up as early as four o'clock this morning to fill the bill of fare for breakfast. The dinner and supper orders are exceptionally large ones.

Sons of Veterans Accepted.

The Sons of Veterans Guard of Shamokin have been notified that they will be received into the Eighth Regiment, now stationed at Camp Alger. The company consists of 85 members, already uniformed, equipped and fairly well drilled.

Eckert's Cafe.

An extra fine lunch will be served, free, tomorrow morning.

A Pleasant Event.

Robbins' opera house was the scene of a large gathering last evening to attend the ice cream festival of the Young Men's Usher's Association. The popularity of its members was attested by the large number of friends present. It is needless to say that the affair was also a financial success.

POLITICAL POINTS.

Combinations are already being formed by Democratic candidates. One of them is said to be: Marr for Judge, Quinn for Congress, Bradburn for Controller, Cummings for District Attorney and an unknown for Poor Director.

The Republican and Democratic Congressional campaign committees are already at work sending out literature from Washington.

It is said Charles Breckons will not be a candidate for District Attorney this year.

It turns out that S. C. Kirk, formerly Prothonotary from this county, was not removed from the Custom House at Philadelphia, but a new position was created for Larry Eyre, his supposed successor.

The young men are rapidly coming to the front in Democratic politics in this county especially north of the mountain. Shenandoah is furnishing its quota of young blood, and most of them will make their mark in the near future.

The manifesto issued by the Schuylkill delegates to the state convention, in favor of a radical platform on the lines of the Chicago platform, will apparently have little weight with that body.

The citizens of the Fifth ward, comprising those residing on West Coal street, have organized an independent political club. The officers are as follows: President, Owen Monaghan; secretary, James Corrigan, 1026 West Coal street; vice president, Sylvester Surman; financial secretary, Joseph Pathansky. The club now numbers in the neighborhood of fifty members and new names are being added to the roll. They have organized for the purpose of electing to office the best men, irrespective of political affiliations. They will no doubt do good work, if they follow out the purposes for which the club was organized.

A big fight is on in Schuylkill county to prevent the renomination of Congressman Brumm, who appears to be highly objectionable to a large number of Republicans.—Wilkesbarre Record.

Judge Koch will have no opposition as his own successor in the Republican convention, for the very good reason that his record on the bench is one that any political party can war cartly endorse.

John O. Ulrich will speak at Mahanoy City on Thursday evening in the interest of his candidacy for Senator.

Meldazis Cafe.

Puree of pea soup to-night.

Stamp Your Checks.

Fifteen years ago on the first of July the use of revenue stamps on checks was abolished. Under the new revenue law the tax will be restored on July 1st, next. On and after that date checks, notes and drafts, not bearing interest, must have a two-cent revenue stamp affixed; while notes, drafts and certificates of deposit bearing interest will require two cents worth of stamps for each $100 of value or fractional part thereof. The penalty for failure of the maker of the note, draft or check to affix the proper amount of stamps is $100 for each and every offence. Business men will do well to make a note of this.

The County Commissioners will be at the court house on Thursday next, the 23d inst., to hear appeals relating to the triennial assessments of 1898 for properties located in Shenandoah. On Friday, the 24th inst., the property owners of West Mahanoy township will be heard. Those property owners, therefore, who desire to appeal from the assessments placed on their properties must appear before the Commissioners at Pottsville on the above dates. "CALL A SPADE A SPADE."

Some People too Modest to Confide in their Physician—A Woman Cured of a Serious Disease by a Certain Method, the Only Drawback of which was, it "Made Her Too Fat."

From the Evening News, Detroit, Mich.

The doctor came in haste and found his patient again in great agony from a splitting headache. It was his fifth call on the same patient, and each time to treat the same trouble. With a suspicion that his diagnosis was incorrect and that he was treating a symptom and not the disease, he said to her: "Madam, it is useless for me to visit you again. You are keeping from me facts and symptoms which it is necessary I should know. The patient finally acknowledged that, through a false modesty, she had not told him all. Then she told how she had suffered from female weakness but had kept it from him—*too modest* to speak. The old doctor was disgusted at such prudishness, but when he knew the facts, cured her easily and quickly.

The following case differs from the above, only in the fact that the patient is not afraid to speak, and to "call a spade a spade."

"Words fail to describe the suffering I endured before I used Dr. Williams' Pink Pills for Pale People," said Mrs. Alexander B. Clark, of 417 Michigan Avenue, Detroit, Mich. "For five years I have suffered from ovarian troubles, and was confined to my room for months at a time. I have undergone two operations for this trouble at the hospital, and seemed to grow worse instead of better. I had the best doctors and the best nursing, but for nearly five years I was not free for one single day from the most fearful headaches and intense twitching pains in my neck and shoulders.

"You would scarcely believe, to look at me now, that for about three days every week for nearly six years, I had to stay in bed. Those headaches would come on me every week regularly. First I would notice black spots before my eyes, and then I would go blind, and send for the doctor.

"At first they would treat me for indigestion and dyspepsia, then finally acknowledge that something else caused the trouble. During these spells I was so nervous that I could not bear to have my husband walk across the floor, and as the doctors said there was no medicine that would reach my trouble, I consented to the operations, which left me worse off than I was before.

"In January of this year there was an article in the *Evening News* about the druggists that sold Dr. Williams' Pink Pills in Detroit. I told my husband I was going to try them and he said, 'try anything.'

"The next morning I went into Murphy Brothers' drug store and bought a box of Dr. Williams' Pink Pills. Mr. Murphy said he had a big sale for the pills and personally knew many people who had been helped by them. I took the pills as directed, but was not helped a bit, and I told Mr. Murphy so, but he suggested that I give them a better trial. Before I had finished the second box I began to feel better and went down and bought a dozen boxes. When I had taken six boxes my headaches were gone, but I continued using the pills until I had taken the twelve boxes.

"Just think what I have suffered by operations and vile medicines, when a simple remedy cured me.

"There is only one thing against Dr. Williams' Pink Pills for Pale People," continued Mrs. Clark, "they made me fat. Since I commenced taking them, in January, I have gained twenty-six pounds. I remember the many times when my friends came to see me, when I was so thin and weak, that they expected to hear that I was dead the next week. To-day I am perfectly well, and never felt better in my life, and it is all due to Dr. Williams' Pink Pills for Pale People."

All dealers sell Dr. Williams' Pink Pills for Pale People, or they will be sent postpaid on receipt of price, 50 cents a box or six boxes for $2.50 (they are never sold in bulk or by the 100), by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.
