THE PILL THAT WILL.

Congressman Brown had decided to make no more appointments of postmasters until after the county convention, although the terms of several Democratic nominees have long since expired. He had intended to assign positions as a club to secure delegates to the convention with a view to securing his re-nomination. The people of Paoli, however, served notice on him last Monday that if the appointments were made within a week they would set up anti-Brown delegates, and he was forced to withdraw. As a result of this notice Mr. Brown on Saturday announced that he had decided to appoint Gavyn D. Phillips, formerly of Mineville, postmaster at Frankville. The other appointments were Joseph Carr, Harry Price, W. A. Davis, the well-known druggist, and Rowen Wagner, chief justice of that town. Carr, Price and Wagner are members of the Grand Army and life Republicans, while Joseph Carr received the strongest endorsement, and was supported by most of the leading Republicans of that place. There is much dissatisfaction over the selection.

Mr. Brown also announced that he had chosen W. H. Williams as postmaster at Gilberson, in face of the promises he had made to the friends of Jacobus. There were other candidates but they dropped out of the contest. Jacobus is a Poland, and Mr. Brown had assured the voters of that locality that they would receive recognition by the appointment of Jacobus and the Congressman's failure to carry out his promise in this respect causes much dissatisfaction among this class of voters in all parts of the county. The term of the present Democratic postmaster at Gilberson expired almost a year ago.

Other postmaster appointments for this county are Daniel E. Messer, at Tower City, and Charles D. Mauer, at Mowry, P. O. Harry township.

David Graham, proprietor of the Mahanoy City American, has announced his candidacy for the position of nomination for Senator in this district.

For the Legislative nomination in this district William H. Brown, of Lanthorn, is the latest aspirant under Republican 'rules, and is making an active canvass.

MAHANAY CITY.

A Man Seriously Struck With a Knife Saturday Night.

Mahanoy City, June 27.—A murderous assault was committed on B street at about one o'clock yesterday morning. Joseph Yastrowski, aged 25 years, being the victim. John Bowers, aged 25 years, and James, his brother, aged 19 years, are in the Pottsville jail to await the result of the inquiry. The victim's throat was cut with a pocket knife having a four-inch blade. A stab ten inches wide extended from below the left ear to the center of the neck. It is reported that the victim survived. Yastrowski was going home when he was stopped by the two assailants and they asked for a drink from his pocket. He said he had no money and "then blow yourself" was the next demand made. Yastrowski said it was late. John Bowers, it is alleged, then pulled out the knife with the result already stated. As the victim fell to the ground he was kicked. Several people were attracted to the scene and a "scuffle" ensued and the Bowers brothers fled. Dr. Horn and Dr. Weston attended Yastrowski at times, and he seemed to be dead, but three hours after the assault he suddenly recovered to be removed to his home. This morning he was taken to the Mineville hospital. The charges for his recovery are \$250. John Bowers first denied all knowledge of the assault, but the bloody knife was found in his possession and he declared that his brother was entirely innocent.

The Huckleberry Crop.

The past few years have seen a remarkable growth in the business of shipping huckleberries to Philadelphia and New York. Up to last year Mahanoy City led all the towns in the county in the quantity of berries shipped, but Shenandoah took the lead last year and from present indications is likely to maintain it this year, as the crop promises to be a very large one. The berries are packed in crates and baskets and the United States Express Company found it necessary last year to put a special car on the road to handle the berries from town.
