KIDNEY DISEASE OVERCOME

Salesladies are necessarily on their feet much of the time. Salesladies are necessarily on their feet much of the time.

The same is true of many women whose household duties keep them busy from morning till night. The result is headaches, diary spells, pams in the back and a feeling of being utterly tired out. The trouble can often be traced to the kidneys, Bladder and Urinary Organs. To make sure those parts are affected, put some urine in a bottle and let it stand 24 hours. A sediment at the hottom is a positive sign of Kidney trouble. So is frequent desire to urinate, especially at night; pain in passing water; stains on the linen; pain in the small of the back; inability to hold urine.

There is no necessity for a doctor for either men or women in such cases. Dr. David Kennedy's Pavorite Remedy can be taken, and relief and cure will follow; it is to be found in the drug stores at the small cost of \$1 for a large bottle.
