Ceneral Shafter's Efforts to Carry Out President's Injunction

FOR SURRENDER OF SANTIAGO.

Tests of the Naval Ordnance Give Unsatisfactory Results in the Attempt to Shell santingo Over the High Hills From the Open Sea.

Wastengton, July 12 .- General Shafter's report from Siboney sent just before midnight Sunday caused officials of the war department to wait all day with the expectation of hearing that the bombardment of Santiago had begun. No word to that effect came, however, up to the time the department closed, and though there is little reason to doubt that the general carried out the program of which he had notified
