POLITICAL NOTES.

David M. Graham, proprietor of the Mahanoy City American, has shown much political discrimination by placing his announcement in the Herald columns. Mr. Graham is a candidate for the senatorial nomination on the Republican ticket, and his friends feel confident that he should receive the nomination there will be little doubt of his election by the people. Mr. Graham is one of Mahanoy City's leading business men, and is at present sole proprietor of the American. He has a strong personal following in and extensively known throughout the district, and would poll a large Democratic vote. He and his friends are in the fight to win, and from this on will make an aggressive canvass.

John Bergan, of Cass township, claims to have been counted out for the nomination of Poor Director at the Democratic county convention on Monday, and announces that he will be an independent candidate for that office. He is very severe in criticizing the action of the convention.

The friends of M. H. Master are not by any means enthusiastic for the Democratic ticket.

The wards are full of independent candidates, and if the scope of their will be a complete third ticket in the field. H. W. Becker, who was defeated at the Democratic legislative convention at Ashland, is said to have filed nomination papers as an independent candidate for the Legislature in the Second district.

Charles A. Snyder, the present County Controller, is a candidate for re-nomination, and his card will be found in another column. Mr. Snyder was appointed by Governor Hastings to fill a vacancy caused by the resignation of Controller Sevier several months ago, and during his brief occupancy of the office has clearly demonstrated his fitness for this important office.

Mr. Snyder is a member of the legal profession, a Republican who has always taken an active interest in the success of his party, whether the nominee be friend or foe, and his services as a campaigner have materially assisted in Republican success in the past. Mr. Snyder's friends, who are legion, feel that he is justly entitled to the nomination, and believe the party voters will so decide at the nominating convention.

Bill Barr has always been for a non-partisan Judiciary. He was foremost in the fight for Judge Pershing and for Judge Green against the Democratic candidates, and to be consistent this year we expect to see him whooper up for Judge Koch. —Minersville Free Press (Demo).

FLAG RAISING.

Wm. Penn the Scene of a Patriotic Demonstration Last Night.

A patriotic breeze swept over Wm. Penn last night and until a late hour stirring national airs by voices and instruments filled the air. The occasion for the demonstration was a flag raising at the residence of Mr. and Mrs. Philip H. Jones. It was an impressive event. The Grand Band, of town, the choir of the Wm. Penn Methodist Episcopal church and a delegation from Walk-In-Waters Post No. 146, G. A. R., were in attendance in addition to many other residents of Shenandoah, Wm. Penn and Lost Creek. The ceremonies opened with prayer by Rev. John Dyon, of Wm. Penn, after which Joel Leddon was elected master of ceremonies. An American and a Cuban flag were then slowly hoisted to the top of a high pole as the Grand Band played "Columbia, the Gem of the Ocean." At the same time Owen Gaughan released several pigeons and there were several cannon salutes. Thomas Scott, attired to represent Uncle Sam, then made a patriotic declaration. At the side of him stood a little girl attired in patriotic colors. They were Irene, the youngest daughter, and Bertha, grand-daughter of Mr. and Mrs. Philip H. Jones. Chairman Joel Leddon then made an address, after which there was more singing by the choir. Superintendent W. H. Lewis also made an address that provoked cheers and applause, and was followed by Rev. John Dyon. Music by the band closed the occasion and the indoor exercises were then opened. The parlors and sitting rooms of the residence were filled with guests and for the balance of the evening there was a constant stream of vocal and instrumental music. Refreshments were served in abundance. The flag was the first raised by a private family in Wm. Penn. They were made by Mrs. Philip H. Jones and daughter, Miss Mary E. Jones. The American flag is 8x18 feet in size and the Cuban 4x6. They float from a pole 42 feet 6 inches high placed in the yard east of the residence.

The Governor of Rhode Island.

Nothing Like Paine's Celery Compound For Run Down Nerves.

Gov. Elisha Dyer was elected Governor of Rhode Island in 1897 and re-elected in 1898. Gov. Dyer is a graduate from Brown University and Gleason University, Germany. He served as Sergeant during the Civil war, and was Adjutant General of Rhode Island from 1882 to 1895. He wrote, April 17, 1898: "I have heard so many flattering statements of what Paine's celery compound has done that I feel sure it will be of very great benefit to me, particularly at this time when I have so much anxiety and nervous strain." Paine's celery compound, upon which so much praise has been bestowed, which the wealthy and those in the highest positions of unobtainable endures, is within the reach of the humblest family in the land. The incalculable amount of good that Paine's celery compound is doing in making sick and even despairing people well should compel the attention of every judicious person who is out-of-health.
