the note. The cabinet met Wednesday evening to deliberate as to the best means and channel of negotiation.

Paris and London were both discussed.

No decision was arrived at, but a ma-

jority favored sending Senor Moret, former minister of the colonies, on a

special mission to London to negotiate

the treaty of peace with Ambassador Hay. Official feeling favors direct nego-

tiations, without interference from out-siders, even with regard to the Philip-

pines. There is little doubt that if President McKinley's reply proves an

acceptable basis the negotiations will not be protracted, since Spain, for many reasons, is desirous of a speedy

settlement, and not least so because at the present moment public opinion

THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Syrup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP CO. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALI-FORMA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nausente. In order to get its beneficial effects, please remember the name of

If a Chinaman, usually regarded by us as hey-day of his power."

If a Chinaman, usually regarded by us as a barbarian, can live to a beathy, hale old age, why cannot Americana, with their more advanced civilization do the same? The reporters discovered during Li Hung Chang's stay in this country, that he took every thought for his health. He lived upon the simplest of dieta and never passed a day without consulting his physician. He limited his toil to a reasonable number of hours, and would not deviate from his rule in this matter. American men follow just the opposite practice.
