OUR COUNTRY: First, Last and Forever.

It is not necessary to hold high rank in our navy to gain distinction and national favor. Look at Hobson and Wainwright!

The bicycle race is less in evidence in these times than what is called the bulletin board race. It must be a sad affliction in Spain.

SENATOR GORMAN is trying to reorganize the Maryland Democrats by eliminating silver. The same thing is being tried in Schuykill, but with little success so far.

APPARENTLY all that Gen. Miles has to do in Porto Rico is to let them know he is coming and immediately they will begin to hunt a nice place to set up the Stars and Stripes.

THE official reports of the naval battle of Santiago clinch the fact that the victory was won by all the ships and crews engaged. A general distribution of laurels will be the right thing.

WORK the war closes, the average man will have as much of an idea of geography as the small boy, and will not be bluffed out when the small fry comes home from school with questions for the primary map.

ONE of the strongest peace advocates at this time is Senator de Lome, who left Washington as Spanish ambassador under embarrassing circumstances. He knows what the United States can do, and further knows when Spain is licked.

A VERY strong argument can be made in favor of anthracite as fuel on the new warships, but the argument must come from a source other than the Congressman from this region. If it was a plea for a "fat berth" for some benchman, then things would be different.

WHILE the United States is fighting against foreign interference in the Philippines, red-headed and hopeful Tom Cooper, of Delaware county, is waging a war on the same lines—against the interference of Senator Quay in the Congressional fight in that district. It is not difficult to pick the winners.

In fields which are small, persistent tilling must be done to bring forth abundant crops. An advertiser will win against great odds. The best ad. is that which gets the largest returns for the amount expended, not that which talks the loudest, costs the most or looks the prettiest. The leading merchants of Shenandoah use the HERALD columns.

EVERY sign proclaims the fact that better times are at hand. To be sure, here in the coal regions, which are always the first to feel depression and the last to recover, certain conditions threaten to delay as prompt a return to a happier season as the people wish. Yet what affects one part of the country sooner or later affects all parts, and we of the coal towns will be the first to feel the benefit of the activity that is the rule elsewhere. There is a law of compensation which is beyond the power of corporations and money bags to control, and as the demand for anthracite increases with the renewal of good times in other places, it must be met and our mines must supply it.

THE Minersville Free Press, a Democratic paper, has this to say on the judicial question: "The Free Press along with Bill Marr and fully a thousand other Democrats, have consistently supported a non-partisan judiciary in this county and have helped turn down Democratic judicial candidates on several different occasions in order to carry out that principle. This year Bill Marr hobb up as a candidate himself against a tried and true Judge. We trust every Democrat who has believed in and voted for the retention of faithful and competent judges in the past will continue to do so this year and we hope there will be enough other Democrats who will refuse to vote for the man who deserts a life-long principle in order to gain office himself that will make Bill Marr for the worst-licked man who ever ran for office in Schuykill county. He deserves it all."

"I think DeWitt's Witch Hazel Salve is the finest preparation on the market for piles." So writes John C. Dunn, of Wheeling, W. Va. Try it and you will think the same. It also cures eczema and all skin diseases. C. H. Hagenbach.

Remarkable Rescue. Mrs. Michael Curtin, Plainfield, Ill., writes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption, and that no medicine could cure her. Her condition suggested Dr. King's New Discovery for consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at A. Wasley's Drug Store. Large bottles 50 cents and \$1.00.

Shish's Consumption Cure cures where other fails. It is the leading Cough Cure, and no household should be without it. Pleasant to take and easy right to the spot. Sold by P. D. Kirkin and a guarantee.

ARRIVAL OF THE TEXAS.

The Big Marine Fighter Enthusiastically Welcomed as She Steamed Into New York Harbor.

New York, Aug. 1.—Back from the coast of Cuba, battle scarred and powder stained, and punctured in spots, with her formidable guns jutting in the sunlight and her officer and crew laughing and cheering like schoolboys on a moon-alford racket, the pleasure battleship Texas, Captain J. W. Philip in command, steamed slowly up the lower bay from Sandy Hook yesterday on her way to the Brooklyn navy yard for docking and repairs. The Texas proceeded slowly to her destination escorted by the great greeting from the thousands of people who crowded the decks of the outward excursion boats.

Salutations of welcome came from all sides. Every vessel that boasted a steam whistle let it shriek for all it was worth. The sailing vessels were in evidence, and the silent slipping of the colors greeted the pleasure yachts, while not so demonstrative as the shrill notes from the steamers, was equally effective, and the man in charge of the steam siren on the Texas worked like a beaver replying to the hearty reception. The cheer that greeted the Texas as she steamed up the bay was taken up by the people who watched the black pointed warship from the New York and Brooklyn shores, and the brave sailors responded with waving caps and handkerchiefs.

At the Texas reached the navy yard the dock was crowded with blue jackets and marines who greeted their fellows with fervent enthusiasm and welcomed them back with joyous cheers. As soon as the gangways were placed in position hundreds of relatives and friends rushed to embrace the heroes who had fought so nobly and successfully in the cause of humanity.

Twenty-two sick sailors and marines were brought back from the squadron by the Texas, and they were all transferred to the naval hospital adjoining the navy yard. None of them had been injured in battle, and in no case is there any fear of fatal results.

CONSULTING A WOMAN.

Mrs. Plinkham's Advice Inspires Confidence and Hope.

Examination by a male physician is a hard trial to a delicately organized woman. She puts it off as long as she dare, and is only driven to it by fear of cancer, polypus, or some dreadful ailment. Most frequently such a woman leaves a physician's office where she has undergone a critical examination with an impression, more or less, of discouragement.

This condition of the mind destroys the effect of advice; and she grows worse rather than better. In consulting Mrs. Plinkham no hesitation need be felt, the story is told to a woman and is wholly confidential. Mrs. Plinkham's address is Boston, Mass., who offers sick woman her advice without charge.

Her intimate knowledge of women's troubles makes her letter of advice a wellspring of hope, and her wide experience and skill point the way to health. "I suffered with ovarian trouble for seven years, and no doctor knew what was the matter with me. I had spells which would last for two days or more. I thought I would try Lydia E. Plinkham's Vegetable Compound. I have taken seven bottles of it, and am entirely cured."—Mrs. John Foreman, 26 N. Woodbury Ave., Baltimore, Md.

The above letter from Mrs. Foreman is only one of thousands.

GETTYSBURG BATTLEFIELD. LOW-RATE PERSONALLY-CONDUCTED TOUR VIA PENNSYLVANIA RAILROAD. The recent triumphs of our arms by sea and land revive the interest in that great of all American battlefields of Gettysburg.
