Sacrificed to Blood Poison.

Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones.

Some years ago I was inoculated with blood by a nurse who infected my base with blood and I was covered with sores and ulcers from head to foot, and no language can describe the agonizing pain and suffering I endured during those years. I had the best medical treatment given me, but all to no avail. I was nearly dead when I was cured by S. S. S. The only blood remedy which cures deep-seated cases.

Of the many blood remedies, S. S. S. is the only one which can reach deep-seated, violent cases. It never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies.

S.S.S. For the Blood

IS PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral. Valuable books mailed free by Swift Specific Company, Atlanta, Georgia.

POLITICAL POINTS.

Car Brumm has at last succeeded in securing a candidate for County Controller whose name is Charles Schindler. He was first tried in Lincoln, N. P. Fowler, of town, to become a candidate, but he indignantly spurned the offer, and on Monday Brumm sent for Charles Schindler, of Tamaqua, and the two were in conference at Portsville, but the latter would not give a definite answer. Schindler, Mr. Schindler was again sent for by the Congressman, and after a prolonged conference in which Mr. Schindler was given certain assurances and made pertinent promises, the Tamaqua man subsequently made the public announcement that "the satisfaction of my duties" he was a candidate for Controller, several years ago Brumm appointed Schindler's brother to the Naval Academy, and Brumm insisted that Schindler return the compliment by being his candidate for Controller.

Brumm now has candidates for Judge and Controller with himself for Congress, and is now trying to secure a man for District Attorney. As a party Dictator he is doing quite well.

The Democratic state committee is preparing campaign literature, bearing upon the regulation of the liquor trade, and as for the Democrats are concerned, will be fought on state issues entirely.

Bieber's Cakes. Noodle soup to-night. Baked beans and pork to-morrow morning. A Model Plant. The new bottling establishment of Christ Schmidt is now in full operation. It is located on Apple alley near West street and is equipped with general management. It is a model one. One feature that strikes the visitor is the strict adherence to the rule of cleanliness, and due attention in the arrangement of the several departments has been given to provisions for light and ventilation.

In selecting the machinery with which the plant is fitted Mr. Schmidt has kept close to the lines of perfection and simplicity, and to do this has spared no expense. In the bottling department on the first floor he has an automatic carbonator which is the first used outside of the large cities of this state. There are also in this part a cooling plant, a steam chest, bottling machines of various styles capable of being operated by hand or steam power, siphon filling and bottling machines and bottle washers and rinsers.

On the floor above and immediately over the bottling department are found water filters, a gasometer used in connection with the continuous carbonating system, copper kettles for the preparation of syrups, and a series of syrup mixing and filtering basins, all of the most improved manufacture and calculated to come within all the requirements of health measures. Other apartments on the same floor are used for storage purposes, and likewise the third floor. On the whole the establishment commands flattering notice.

Base Ball. The base ball team composed of the businessmen of the town and one made up of former members of the team played an exciting game at the Trotting park yesterday afternoon and the business men won by a score of 30 to 1. Only eight innings were played. Up to the fourth inning the contest was close, but two wild throws and other bits of hard luck on the part of the released players caused a general break-up and the regulars had a comparatively easy time of it for the balance of the game. Giff and Grogan formed the battery for the business men and Owens and Glover for the released. Fred Grubler was the umpire. The home runs hit by Bennett, of Gilberton, and Henck were the features.

The insured amount amounted to \$15,000. The whole business block was threatened, and among the other heavy losers are Keiter & Russel, groceries; Levy's clothing store, Phila. Dental Co., and others. The building is owned by Isaac Krotosky, and is badly damaged. The fire started in the cellar, but its origin is unknown.
