NAVAL CHANGES

Captain Sigshee to Command the Battleship Texas and Captain Goodrich the Cruiser Newark.

Washington, Aug. 9.-Two important changes in the command of vessels of the navy were announced last evening by Secretary Long. Capiala Charles D. Simbre, who commanded the battheship Maine when she met her fate in the harber of Havana, and who has been in command of the auxiliary cruiser St. Paul since the war began, has been ordered to relieve Capitalin John W. Philip of command of the battheship Texas, now undergoing repairs in New York. It is understood that Captain Philip will be assigned to shore duty, probably the command of the Mare Deland navy yard at San Francisco.

Secretary Long atnounced also that Capitain Castor F. Goodrich, of the auxiliary cruiser SL Louis, had been ordered to the command of the Newark, Commodore Watson's new flagship, to cesed Captain Albert S. Barker, who has been transferred to the Dattleship Oregon on account of the ill-ness of Captain Charles E. Chark.

Preparing Camp at Montank.

New York, Aug. 9,-A dozen ambu-lances from the Red Cross Society have arrived at Montauk Point and Colonel Forwood is going on with his preparations to provide for the care of sick soldiers who are to arrive from Santiago. There muy be trouble in obtaining an ample supply of water. The work of driving the wells is pro-gressing slowly. At present it looks as if water works will be the main drawback to the camp. When the works are completed, however, it is generally expected that there will be a supply water for 20,000 troops, as well as thousands of horses and mules.
