WILL NOT DISBAND THE VOLUNTEERS.

Washington, Aug. 13.—The volunteers will not be disbanded, but the government will keep them consolidated until the question of garrisons has been decided. A large force of troops will be distributed at different important points in Cuba, and as the administration's policy will be to have all states represented as far as possible, Pennsylvania troops will be among those who will go to Cuba. The troops now in Porto Rico will remain there on garrison duty.

Peace Forced by the People, Special to EVENING HERALD.
Madrid, Aug. 13.—Senor Sagasta said today that "there is not a political man in Spain strong enough to dare to suggest a continuation of war." The Prime Minister is anxious to hold the Philippines. The United States has refused to assume the Cuban debt, and Spain hopes that Cuba will. The Ministers are preparing to take vacations at the different resorts.

Those "Active" Dog Catchers,
ED. HERALD: I notice the News editor is criticizing the dog catchers for trying to do their duty in ridding the town of worthless curs. For the information of the public I would say Mr. Doyle, the editor, owns one of these animals, and furthermore has not complied with the ordinance regulating dogs running large. We had the pleasure of performing our duty last night and taking in charge Mr. Doyle's dog. The owner made all kinds of threats to induce us to give the animal his freedom, but to no avail. We try to do our duty and hence our refusal to give the Doyle canine up unless the fine of \$1.00 was forthcoming. The amount Mr. Doyle did not have, and finally he succeeded in borrowing the amount from a friend and the dog was released. We have Mr. Doyle's dollar, and he has his dog. We propose to do our duty without regard to me or creed.
Yours, etc.,
RICHARD HOPKINS.

HOSTILITIES SUSPENDED

A Proclamation by President McKinley FOR THE ESTABLISHMENT OF PEACE.

Notification Given Military and Naval Commanders.

PROVISIONS OF PROTOCOL.

Terms of Preliminary Peace Treaty Between Spain and Uncle Sam.

SIGNED FOR BOTH COUNTRIES.

Washington, Aug. 13.—The order sent to General Merritt to suspend hostilities was as follows: "The president directs all military operations against the enemy be suspended. Peace negotiations are now pending. A protocol, a provision of which has been signed by representatives of the two countries. You will inform the commanders of the Spanish forces in the Philippines of these instructions. Further orders will follow."

The order to General Miles and General Shafter were identical with the above save as to names. As the order states, further instructions will be sent to each general. General Merritt will be directed to confer with the Spanish commandant at Manila to carry out the terms of the protocol, and to occupy Manila immediately. General Miles will put himself in communication with the chief authority in Porto Rico for the purpose of having Spanish forces turn over San Juan and other points to him preparatory to evacuation. Owing to conditions in Cuba the orders to General Shafter to be sent hereafter will be much different than those to other generals.

Adjutant General Corbin has received from General Shafter an acknowledgment of the receipt by him of the proclamation of the president, as follows: "Telegram received—message as to peace negotiations being concluded. Will notify Spanish at Holguin by courier today, and Manzanillo and Fortugas by wire and will try to get Havana. Will also notify all Cuban forces I can reach."
All of the corps commanders of the army were notified of the suspension of hostilities. In response to the notification sent to General Fitzhugh Lee, the former consul general at Havana, wired the war department: "Thanks, the seventh corps has ceased firing. Unofficial."
It will be understood that General Lee's command was being reserved for the attack upon Havana, if the necessity for one should arise. As an official of the war department expressed it last night: "It was a bit of the sarcasm of fate that Lee did not have a part in the active operations in Cuba or Porto Rico."

Cable Censorship.
Washington, Aug. 13.—Restrains which were necessarily placed by the government during the war upon communication by cable were removed practically today. Orders will go out today removing to all intents and purposes the censorship over cable communications, except such as are intended for Cuba and Porto Rican agents. Over the cables to those islands the censorship will be maintained, although it will be modified materially. It is intended also to remove the restrictions which were placed upon the sending of cipher messages to Hayti and Jamaica.

The luxuries of a trip to the sea shore during the heated month of August can be fully realized at a minimum cost by taking the Pennsylvania railroad excursion, Thursday, August 18th. MORE MEN RECRUITING

Supply is Evidently Much Greater Than the Demand.

THE STATION LIABLE TO CLOSE.

Lieut. Siviter Says the 21st Infantry is Filled, but he Will Continue Recruiting Until he Receives Orders to Stop—Hourly Expected.

Headed by William Maley as color bearer, a drum corps and a delegation from Watkin Wagon Post No. 146, G. A. R., 25 additional recruits left the regular army recruiting station on West Centre street this afternoon and boarded the 7:02 P. M. R. R. train, upon which they embarked upon their twenty-seven-hour journey to Camp Litchfield, Georgia. The enthusiasm of yesterday was repeated and the grounds about the railway station were crowded with relatives and friends of the departing ones and sight-seers. It was impossible for many people who were late in arriving to get near the train, so great was the crowd.

The following is the official list of the recruits who were sworn in to-day and left for Camp Litchfield, Georgia, together with their birthplaces as given when they applied: Matthew Mezguik, Shenandoah; William Shaub, Shenandoah; William Wetkowske, Germany; John A. Bowman, Shenandoah; Thomas J. Sundershul, Shenandoah; George G. Knapp, Trevorton; Michael Keypast, Germany; John H. Temusa, Schuylkill county; William Simmons, Schuylkill county; George Tamoszusins, Russia; John J. Rock, Bethlehem; Peter Brozny, Russia; Peter Becker, Columbia county; James J. McDonald, Philadelphia; Thomas J. Givnin, Schuylkill county; Otto F. Vogel, Germany; Daniel McLaughlin, Schuylkill county; John Brozny, Russia; Joseph Blaker, Columbia county; Andrew Solente, Austria; Joseph Lanzins, Russia; Harry Hillishub, Schuylkill county; Robert Shuman, Schuylkill county; John H. Esterlin, Dauphin county; Patrick J. Cantwell, Shenandoah.

The squad that departed to-day was under command of recruit Harry Hillishub. The total number sent away during the four days the recruiting has been in progress here is 130. Lieut. Siviter, the recruiting officer, says that Shenandoah and Shamokin are about alike in the display of patriotism, but he thinks that should he remain here this town would excel the other town in the number of recruits.

It is not unlikely that the squad that left to-day will be the last to leave this town. Lieut. Siviter expects a telegram from headquarters directing him to stop recruiting. He will continue receiving applications, however, and send away recruits every day until the official notification arrives. He expects to be out of here because he knows that he has recruited more than enough men to fill the 21st Infantry. He has sent out over four hundred men. All the non-commissioned and sent away before the official notification arrives will be attached to the regiment. All sworn in, but who do not get away before the telegram is received, will be relieved and must stay at home. This afternoon several men hurried to the headquarters to get in before the shutdown and they will no doubt be a number on hand early Monday morning.

Lieut. Siviter and Corporal Clegg, were invited to the meeting room of Watkin Wagon Post No. 146, G. A. R., last night after the Post concluded its routine business. After an exchange of greetings the Post members took the recruiting officers to Brew's cafe, where a couple of hours were spent, very enjoyably.

Returned the Alien Tax.
Yesterday and to-day those employes of the P. & R. C. & I. Co. at St. Nicholas and Mahanoy, who paid the three cent alien tax, received the amount that they had paid before the law was declared unconstitutional. They received an average of one dollar each. Some difficulty was experienced in ascertaining the proper persons to whom the money was due, and many schemes were worked to divide the paymasters. One man had the assurance to give the name of a man who had died, but the officials were too shrewd for the impostor. The distribution of these checks has established considerable extra work. Next Saturday the three-cent men in this vicinity will receive their portion of the alien tax.

A Catholic Holiday.
Monday will be observed by the Catholics throughout the county as a holiday of obligation. It is known as Lady Day and services will be conducted in all Catholic churches at the usual time. In former days this was a day on which all church picnics were held, but of late this has not been the custom. The principal attraction will be the picnic at High Point park, under the auspices of the Phoenix Fire Company. Our people should encourage the "fire laddies" by liberal patronage, as they deserve it. They have erected one of the finest buildings in the town, and ask assistance in liquidating the debt. Attend the picnic.

Bickert's Cafe.
Boston baked beans and pork served free, to all patrons to-night.

Enlisted in the Artillery.
A letter has been received in town from Joseph F. Bierstein, who enlisted in the service of Uncle Sam at Philadelphia on August 1st. He is a member of Co. D, First Artillery, and is stationed at Fort St. Philip, Louisiana, which is located about 78 miles from New Orleans. Mr. Bierstein says that the nation are excellent, but complains about mosquitoes that infest the fort. He further states that the soldiers are compelled to pay from 15 to 30 cents for a U. S. postage stamp. William Cules, of town, is also at the same fort.

Vanilla and Chocolate Ice Cream.
To-day and to-morrow, at Scheider's bakery, 29 East Centre street. 11

Committed to the Lockup.
Police men Foyle and Matz last night arrested Tofiel Kaszynski for drunkenness and nuisance in a First ward rendezvous. The accused was unable to pay the borough fine and Justice Toomey committed him for five days.

Notice to the Public.
I wish to announce to the people of Shenandoah and vicinity that I will move to the Dornlach building, on East Centre street, now occupied by the Star Clothing House, on August 15th. Until that date I will sacrifice my entire line of men's, boys' and children's clothing, hats and caps, gent's furnishing goods.
