Francis Schwartz, of Ashland, and Miss Elvira Paul, of Lavelle, were married on Monday.

The announcement is now made, from what seems to be an authoritative source, that the Centralia colliery will resume operations next week, probably Monday or Tuesday. One of the largest breakers in the region has just been completed at the mammoth mine, and its resumption means employment for nearly one thousand men and boys.

POLITICAL POINTS.

The Democratic leaders held forth at Jedford Springs today, when the formal notification of the state nominees will take place. Mr. Jenks, the gubernatorial candidate, is expected to sound the key note of the campaign.

For an acknowledged party organ the Miners' Journal is singularly skillful in its ring-up strife within the party fold, comments the Mahanoy City Record.

Dave Henning, Esq., candidate for the Republican judicial nomination, accompanied by Congressman Brumm, are campaigning in the Schuylkill valley.

Dr. W. N. Stein, of town, candidate for Governor, is making an active canvass and has every assurance of success.

Thomas Dove, Jr., and Fred Hart, are running for delegates in the Third ward in favor of Dr. Wm. N. Stein, for Coroner.

District Attorney Graham refuses to designate another term, and as a result the harmonious Philadelphia streets are being pushed to the wall in this state.

John Wasmaker will again take the stump against Quay, and endeavor to secure the election of an anti-Quay Legislature. Pious John has his hands full.

When the battle for the Democratic nomination for Judge in the Gallego-Monahan district was between Little and Kehler, Hon. Grant Herring was Little's leading champion and campaign manager. When Kehler died Mr. Herring threw Little overboard and concluded he would take the judgeship himself, having been appointed by Governor Hastings.

Secretary of the State, Mr. Martin's denial of having agreed to support Quay for United States Senator, there is very little doubt generally that there is an understanding between the warring leaders in Philadelphia relative to the fall ticket.

The Philadelphia Press contains this bit of news: "It is expected that Maj. John P. Finney, of Pottsville, will shortly be appointed to succeed Assistant United States Treasurer W. H. Bigler." The latter's term expires on Saturday.

The name of John E. Doyle, formerly of town and at present farming down in Cress township, is prominently and favorably mentioned in the Congressional nomination by the free silverites. Mr. Doyle says there will be a third ticket in the field and James W. Lyon, the Democratic nominee, declares himself in favor of the Bryan dogma of 16 to 1 and the Chicago platform.

Mr. Doyle has hundreds of personal and political friends in the county who would delight in casting their votes for him.

In an interview John E. Doyle, formerly of town, replying to a question whether he would accept the Congressional nomination by the free silverites, said: "I will accept the Congressional nomination if tendered to provide Mr. Lyon is a gold-bug. I am not, and you can rest assured that I will meet either candidate at the stump in a discussion of the issues. If Mr. Lyon, however, is a Bryan Democratic there will be no third ticket placed in the field, but if he fails to place himself on record the free silverites promise a hot time in old Schuylkill county." The outcome of the Democratic party are largely represented in the white metal mine. They are all representative men and good workers. Besides the masses of the Democracy claim to be misrepresented by the resolutions of the recent county convention.

SHAMOKIN CITY.

Street Paving Goes Ahead Again After a Grade Discussion.

Mahanoy City, Aug. 17.—The street paving can now be continued on South Main street. It was interrupted yesterday by an uncertainty as to grade. P. C. McEnroe, of this place, was stricken with paralysis at Jackson's yesterday.

John Miller, a car runner at the Primrose colliery, had two fingers of his right hand badly mangled while springing cars that contained a live wire. He went to the Miners' hospital.

When Daniel Reese was entering the mine at Buck Mountain this morning he was followed by Wm. Ryan, who stumbled into the ditch. Reese turned around to see what had happened and, as he did so, the flame of Ryan's lamp struck Reese's eye and burned it so badly that the sight may be permanently injured.

Charles Berger, formerly of town, is reported to be suffering from a dangerous attack of typhoid fever at Reading.

John Uzwawick was kicked in the mouth by a mule at his work this little boy struck here. The plaintiff claims \$500 for cut and lost in a breast of one of the defendant's collieries.

Lachinsky and Joseph Stronvinsky against the Lehigh Valley Coal Company, upon application of M. M. Burke, Esq. The plaintiffs claim \$900 for cut coal left in a breast of one of the defendant's collieries.

Held for Assault. Philip Yarowski was put under \$300 bail by Justice Shoemaker last night on a charge of assault and battery made by Miss Teresa Miben. The complainant alleged that she was employed by the defendant and that while she was at work his little boy struck her. In retaliation she spanked the youngster and Yarowski struck her with a cane.

MANY ILLEGAL VOTES.

The Lyons-Dunn Contest Shows Over 300 to Fifty-Six Districts.

During the afternoon session of the Lyons-Dunn Campaign Court, Judge's contest much interest was displayed in the proceedings by the reading and counting up the list of illegal votes in the respective polling places. The work will probably be finished before adjournment to-night.

W. D. Williams, Congressman Brumm's secretary, presented an affidavit setting forth that he voted the straight Republican ticket, with the exception of voting for Hon. O. P.
