Nine of the victims were buried at sea. The body of Major Lawrence Smith, of Philadelphia, surgeon United States Volunteers, who died at sea Aug. 15, was enclosed in a metallic coffin and brought aboard. Four deaths from typhoid fever occurred on the Relief while she was lying in Porto harbor. The bodies of these four were taken ashore and buried. **AT CAMP WIKOFF.**

**Landing the Heroes of Santiago on Long Island—No Yellow Fever Patients Among the Troops.**

New York, Aug. 20.—General Joseph Wheeler yesterday formally assumed command of Camp Wikoff, at Montauk Point. The health inspector of the camp boarded yesterday the transports Mobile and Comanche, which arrived in Port Pond bay Thursday night. The Mobile has on board the detachment of the Second regiment volunteers of Massachusetts and the Comanche regiment of the regular army. These men were landed and sent to the detention camp.

The Mobile brought 1,600 troops in all, of whom 300 are reported on the sick list. Ten deaths occurred on the voyage from dysentery and typhoid.

Sergeant Alfred G. Jackson and Fred Gastin, of Troop H, of the Rough Riders, died in camp Thursday from convulsions. Their bodies were taken to New York yesterday by a detail in charge of Lieutenant Darn, of Troop F. Sergeant Judson was a resident of New York.

All of the sick soldiers aboard the Mobile, the Seneca and the Comanche were landed yesterday at Montauk. The unaffected soldiers will be landed to-day. Dr. Booth, the yellow fever expert, after a careful examination, said that there were no cases of yellow fever aboard any of the transports. Several of the men were found to be suffering from malaria fever.

When General Shafter arrives at Montauk Point next week he will relieve General Wheeler.

General Young, who was originally in command of the camp, relinquished the command to General Wheeler as his superior in rank, and General Wheeler will follow the same course upon the arrival of General Shafter.

**THE OLIVETTE ARRIVES.**

**Stops at Fort Monroe En Route to Montauk Point With Two Hundred Sick Soldiers From Santiago.**

Newport News, Va., Aug. 20.—The hospital ship Olivette, from Santiago, with 200 sick soldiers on board, arrived in Hampton Roads at 2 o'clock yesterday afternoon.

Dr. Pettus, surgeon in charge of the Marine hospital service at Fort Monroe, immediately boarded her and proceeded to ascertain the condition of the sick. The examination made by the doctor was satisfactory, for when he came ashore he spoke in high praise of the ship and her officers. The vessel was in excellent condition in every respect, he said. She is in charge of Major A. H. Appel, surgeon U. S. A.

It was not expected that the Olivette would put any of her sick ashore at Old Point. She had orders before leaving Santiago to call at Fort Monroe for orders. Fever and dysentery are the prevailing ailments on board, and the remains were buried at sea. Major Appel was very anxious to bring north for interment the body of Major Conrad, who expired shortly after the ship sailed, but he found it impossible to do so, and the remains were deposited with military honors in the sea.

The Olivette sailed for New York last night at 9 o'clock. The patients on the vessel will be landed at Montauk Point.

Accidents come with distressing frequency on the farm. Cuts, bruises, stings, sprains, Dr. Thomas' Electric Oil relieves the pain instantly. Never safe without it.

Chickamauga Park, Ga., Aug. 20.—The work of preparing the Second and Third divisions of the First corps for their removal from Camp Thomas to Knoxville and Lexington, respectively, assumed definite shape yesterday. Orders were sent to the various regiments directing that they immediately get the sick in their hospitals ready to be taken to the Sternberg reserve hospital. The work of removing was begun yesterday afternoon. Numerous furloughs have been granted for convalescents, and the divisions going away will today be without sick men.

The Philadelphia hospital train, sent to Camp Thomas by the city council, reached the park yesterday and left in the evening, bearing away about a hundred sick soldiers from the three Pennsylvania regiments.

The First Vermont regiment left yesterday for Vermont in six sections of ten cars each. The Fifty-second Iowa was sent yesterday afternoon, ordered to Des Moines, and will leave not later than the first of next week. The First Illinois cavalry yesterday received orders to proceed to Springfield at as early a period as possible. They will get away next week.

**Pension Papers Need No Stamp.**

Washington, Aug. 20.—Commissioner of Pensions H. Clay Evans said today that numerous pensioners are going to unnecessary expense in affixing internal revenue stamps to pension papers. He wishes it to be known that the law does not require stamps to be placed upon any pension papers.

**Twenty-Seven Artillery Recruits Started For the South.**

**LEFT TOWN AT NOON TO-DAY!**

Will Reach Fortress Monroe at Noon To-morrow—A Great Crowd of People Assembled at the Railway Station to Witness the Departure.

Fully fifteen hundred people assembled at the railway station this afternoon to witness the departure of the first squad of heavy artillery recruits sent from the town. The men were assembled at 12:30 o'clock at the recruiting station, and there received their orders and equipment. These preliminary duties having been disposed of, George E. Hoover was placed in command of the squad and the march to the railway station with the Patriotic drum corps and a delegation from the G. A. R. Post was taken up. Hundreds of people followed and thanked the recruits and their families. These preliminary duties having been disposed of, George E. Hoover was placed in command of the squad and the march to the railway station with the Patriotic drum corps and a delegation from the G. A. R. Post was taken up. Hundreds of people followed and thanked the recruits and their families. These preliminary duties having been disposed of, George E. Hoover was placed in command of the squad and the march to the railway station with the Patriotic drum corps and a delegation from the G. A. R. Post was taken up. Hundreds of people followed and thanked the recruits and their families.

The following is the official list of the recruits who were sworn in to-day and left for Fortress Monroe, Virginia, together with their birth places, as given when they applied:

- Harry A. Troutman, Mahanoy Place.
- Martin McGuire, Minersville.
- Thomas F. McAllister, Schuylkill county.
- George Shuey, Shenandoah.
- Nicholas Whalen, Schuylkill county.
- Andrew Stoffon, Russia.
- Philip L. Reed, Franklin county.
- Edward Ryan, Lost Creek.
- William G. Griffiths, Wales.
- William W. Moltz, Montoursville.
- George E. Hoover, Pottsville.
- John Donahoe, Schuylkill county.
- Patrick Joyce, Lost Creek.
- William O'Boyle, Hazleton.
- William E. Payton, Luzerne county.
- Hiram Neiswender, Northumberland county.
- Thomas Hutton, Mahanoy City.
- Anthony Machunas, Russia.
- John Seibert, Gilberton.
- Enoch Shillinski, Russia.
- George A. Hill, Keppner.
- Alex. Brooks, Russia.
- Joseph Witcoskey, Wm. Penn.
- Harry Roberts, Wm. Penn.
- Anthony Scanlan, Ireland.
- William Preston, Shenandoah.
- John W. Edwards, Philadelphia.

The recruits will arrive at Fortress Monroe, Virginia, at about noon to-morrow. How long they will remain there is uncertain. It is probable that after training here, they be distributed among other heavy artillery stations.

Contrary to the belief that prevails in the minds of most people, the recruiting station did not close to-day, but it will not keep open much longer, as the daily enlistments of the past few days do not warrant a recruit station in remaining here. He believes, however, that many men were waiting until after the three week pay at the P. & E. C. & I. collieries, and for that reason has decided to remain a few days longer. The office will be open to-morrow from 1 to 2 p. m. and on Monday. The squad to be formed will probably be the last one, and that will leave on Tuesday. Should the enlistments be greater than anticipated the closing will be delayed, otherwise the office will close Tuesday night and headquarters will be opened at Hazleton on Wednesday. Posters were sent to Hazleton yesterday announcing the opening of a station there on or about the 22nd inst.

With the twenty-seven recruits that left to-day Shenandoah has furnished a total of 198. With Tuesday's squad the aggregation will be considerably over 200. When Lieut. Siviter first started here he fixed the number of recruits that he would get at about two hundred, so that the town has come up to expectations. The figures are interesting when it is considered that three efforts to get up a company of volunteers failed. The enlistments made by Lieut. Siviter in town do not represent all the Shenandoah men who have gone into the regular army. He enlisted 40 at Shamokin and some at Pottsville and Reading, so that the town really has now close to 250 men in Uncle Sam's regular service. Shamokin has a credit of 200.
