LEAVING FORT THOMAS.

The Fifth Pennsylvania Regiment En Route For Lexington, Ky.

Chickamauga Park, Ga., Aug. 22. The movement of troops from Camp Thomas was begun yesterday afternoon, when, immediately following the departure of Brigadier General Sanger and his headquarters, the First Georgia and the Thirty-first Michigan were or-dered out. These regiments marched to Rossville, a distance of six miles, yesterday afternoon and loaded there, Jeaving late last night for Knoxville, the camping place selected for them by Major General McKee. The car accommodations of these two regiments consisted of 38 coaches, 18 stock cars, 22 that cars and 18 box cars.

The Twelfth Minnesota and the Fifth Pennsylvania, comprising the First brigade of the Third corps, started today for Lexington, Ky. They marched to Rossville, under command of Brigadier General Wiley, and began loading at noon. Other brigades of the Second and Third divisions of the First corps will leave Camp Thomas as rapidly as the trains can be provided for them.

The ambulance company for the
Third division loaded at Rossville this

morning early, and left immediately thereafter for Lexinston. It now looks as though a portion at least of the Third corps is to be broken up. Three regiments of this corps have already been ordered to their respective home states. The Second Nebraska, the last of these three to receive moving orders, was ordered by the war department last evening to proceed to Omaha. All the sick and wounded soldiers of the regiments who are leaving and who are not able to go home alone will be left in the hospitals at Camp Thomas. Hundreds of convalescents are leaving for home on furloughs.

ENGINE PLUNGED THROUGH A CAR

But For the Fact That the Passengers Were Alighting at the Sharon Station the Loss of Life Would Have Been More Terrible.

Our little boy has Feerena in the most hor-rible state. His face was full of scales, and parts of the flesh were raw. We med Curr-cina Soar and Currecta (chatment), and in one work he was as good as ever. Mrs. J. C. FREESE, we So. 1st St., Brooklyn, Sharon, Mass., Aug. 22 .- A frightful I malesda a very red roughness on my boy's face. Decreased in a good. After using one box and a bait of Currouna (comment) and Currouna Soap, he is catically sured. Mrs. W. G. LOVE, 1013 Wilder St., Phila., Pa. rear end collision occurred in the Sharon station of the New York, New Haven and Hartford railroad at 7:30 last night, when an express train which MOTHERS To know that a warm both with Certain and the Control of the South and the Certain and Cer was running as the second section of a long train crashed into the first section, composed of local cars.

As a result seven persons were killed and 26 seriously injured. The injured were nearly all removed to Boston on a special train, which was met by ambulances and surgeons. The rear car of the local train was completely demolished and a portion of the second car, while the engine of the express train was crippled. The dead are Franklin M. Waters, Somersville, Mass.; Mrs. William J. Fitzpatrick, Boston, her granddaughter, Mary Fitzpatrick, 10 years of age, and her grandson, 5 years old; a woman supposed to be Mrs. Watson, of Westerly, R. I.; Mrs. C. H. Briscoe, Revere, Mass.; C. B. Fry, Revere. Mass. died after being taken to

he hospital in Boston.

The two trains which were in the collision were usually combined into one long train, but as the traffic yesterday was so heavy it was divided, the first section running as a local accommodation, while the second, which started the first, ran as an express. The local train, due at Sharon at 7:02, was 13 minutes late. It left Mansfield on time making two stops, and had lost the 13 minutes between Mansfield and Sharon It was due in Canton Junction, the next station beyond Sharon, two minutes ahead of the express train, which should have passed it there.

the Long Island coast, thus giving tens of thousands of additional excursion-Sharon is situated on a curve, and both the outward and inward tracks ists the opportunity of viewing the warships. Small boats were in great are protected by electric block signals. After the accident it was thought the block signal protecting the inward track was set at danger, showing, as it was intended, that there was a train in the station. There was no warning given by the conductor of the Mans-field local to show the approaching train that the track was not clear of in and out among the big at the station, and it was not until he was within 400 feet of the station that San Francisco, Aug. 22.—The trans-port Arizona, with General Merriam the engineer of the express noticed any thing wrone. He immediately set al brakes and whistled the warning, but it was too late to stop the express

It crashed into the rear car, splitting it asunder and completely demolishing it, with the exception of the roof. Its speed was not slacked until the engine had penetrated fully five feet into the rear of the second car. The escaping steam entered the car and hadly scaldis now attached to the department ed a number of the occupants. The roof of the last car was forced on top of the engine of the express, and re-mained there as the only portion of Washington, Aug. 22.-A few less than 10,000 men remain at Camp Aithe car intact. ger, Va., or more properly at Dunn

Engineer Getchell and Fireman avoidable. Clotchell was cut and bruis ed about the head.

Brigadier General Gobin is in com-mand, and he has decided to institute Every one of the killed and injured brigade drills, the first of which will be held this afternoon. This, it is felt was on the Mansfield train, and th only explanation of the fact that the mber of fatalities is not larger is that the passengers were all in the forward part of the car, in the act of alighting. There were about 200 people in the last car, and most of them at the time of the accident were either upon the front platform or standing by the Be Not Deserved. A Cough. Houseness or
