La Grippe Cured

This modern malady has become dreaded more for its direct fatality than for the weakness of body and mind it leaves behind it. Prolonged debility, permanent prostration, melancholy and suicide follow La Grippe. For this disease there is no remedy superior to Ayer's Cherry Pectoral.

"The best remedy for La Grippe that I know of is Ayer's Cherry Pectoral."

Rev. JOHN K. CHASE, South Hampton, N. H.

"My wife and five children were taken down with La Grippe, while the disease was so widely prevalent. I doctored them with Ayer's Cherry Pectoral, and before using quite two bottles my family was restored to health. I know of several obstinate cases of the same complaint which were also cured by this remedy."

J. FARMINTER, Fayette, Miss.

"I was cured of La Grippe by the use of Ayer's Cherry Pectoral."

C. S. THOMPSON, Pub. "Signal," West Farmington, O.

Ayer's Cherry Pectoral is put up in half-size bottles at half price—50 cents.

Prof. Coles For September.

Our prediction last month that Spain would see for peace, and that Germany would be cast into deep mourning, proved true. This month earth will be in the "House of Religion" opposed by the "House of Kindred," which will cause us some trouble with nations who are our kindred friends. The shadow of the "bright star" in the Golden West will soon fall upon the Roman Empire and cause the whole Empire to mourn. Great religious and international controversies will arise and may end in serious complications. A tidal wave of crime will sweep over the whole world and break all records of the past. A great flood of prosperity will soon sweep over America and carry away many business men who have ventured too near the dry bed of the great financial river. Get up on the hill, all ye business men, for the flood is surely coming. A great down-pour of rain, that will cause much destruction, may be looked for this month in Pennsylvania.

TAMAQUA'S PARADE.

Patriotic Societies Held a Convention and Parade the Streets.

Special to EVANSVILLE HERALD.

Tamaqua, Sept. 5.—The American Demonstration Association, comprising representatives from the J. O. U. A. M., the P. O. S. of A., the O. U. A. M., and kindred organizations in this and adjacent counties, held their annual convention and parade here today, and the town presented a gala appearance.

Lambo & Son, the leading decorators, enveloped the public school buildings and business and private houses with the stars and stripes, and in every section of the town the tri-colored bunting was displayed profusely. It was certainly a legal holiday for Tamaqua, the stores being closed for the entire day, as well as the public schools, and the town was crowded with strangers from all parts of the county. The Hazleton organizations attended in a body.

The convention was held this morning in the Odd Fellows' hall, and there was a good representation. The principal business was the election of officers and the selection of a place to hold the next demonstration.

The parade formed at 2 o'clock, headed by the Tamaqua band, and marched over the principal streets. A marked feature was the equipment of the local J. O. U. A. M. Council, who appeared in white caps and gloves, carrying canes. Other organizations appeared in special outfits. The judges reviewed the parade from the portico of the United States hotel. Hazleton was represented by about 300 paraders, and it is estimated 1,500 men were in line. Four prizes were awarded, \$25 to the largest number in line, \$20 to the best drilled society, \$15 to the best equipped, and \$10 to the society coming the longest distance.

At Payne's nursery, Girardville, you will find the largest stock ever seen in the county.

John Lenahan, of Ashland, the representative of the New York National Building and Loan Association, who recently furnished bail at Justice May's office on a charge of alleged forgery of Mrs. Bridget Clark's name in reference to a mortgage, the charge being made by Patrick Clark, of West Centre street, claims to have been placed in a false position by the arrest through public misunderstanding of the facts. That his company has entire confidence in the honesty of his transactions is evidenced by a letter from the general office explaining the details to the satisfaction of all concerned.

MAHANAY CITY.

Ten Hungry Volunteers Leave Camp Meade to Seek Food.

Mahanay City, Sept. 5.—Ten young men wearing the uniforms of the United States army arrived here from Camp Meade, Middletown, Pa., early yesterday morning. They left the camp without formal leave and may be called to account upon their return to camp, although some of them say they told one of the regimental officers that they were going to seek food and received the reply to go and stay until they found food. The young men are Hugh Burns, Matt, Kane Clifford Bowers, Thomas Bryant, James Curtis, George Nook, Edward Shoup, Harry Coulter and Willard Woodin, all residents of this town and members of Co. E. They dead-headed their way here on freight trains. They claim they were without proper food for three days prior to their leaving the camp. One day Capt. Harris bought a ham at his own expense and on another occasion Col. Hoffman, from his own funds, purchased beef to give 1,000 men a meal. Another generous officer purchased a four-horse wagon load of bread.

Michael Scanlan, aged 9 years and residing at Shoemakers, fell 25 feet from a chestnut tree and had his neck badly gashed by contact with a stump.

The remains of Mrs. Susan McCullough were taken to St. Canice church this morning and after high mass, were interred in the parish cemetery.

Requiem high mass was also celebrated in the same church this morning over the remains of Mrs. John Nolan.

For the past week a large force of carpenters have been engaged in tearing out three screens in the St. Nicholas colliery and putting shakers in their place. Improvements of a similar character are being made at the Maple Hill colliery.

John Kreimer, aged 24 years and residing on East Pine street, was run over and severely injured at Steele's colliery this morning. He was employed as a driver and fell before a wagon which passed over his abdomen. He was removed to the Miners' hospital.

Miss Phoebe Smith, daughter of Mrs. A. Smith, left here yesterday morning for Shelbyville, Kentucky, to accept a position in the college at that place as a teacher of vocal culture and piano.

We Have the Same Individual.

The following article is applicable to Shenandoah: "Ashland, like every other town has its watch-dogs who feel called upon to keep their eyes on others and growl. They are full of suspicions. They wonder if that man is not dishonest, and if that one is not tricking the people; if there is not something wrong about the other man. They are always the first to hear of suspicious conduct. Bazzards are always the first to smell carrion. Don't forget that fact, because you will find that these people who have the most faults themselves are the most merciless in their watchings of others. From scap of head to sole of foot they are full of jealousies and hyper-criticisms. They look at their neighbors' imperfections through a microscope and at their own through a telescope wrong end up. They are everlastingly prate about virtues they do not possess to hide their sins. People of that kind will always bear close watching."
