No Lightning on Ships.

The reason why ships are not struck by lightning is attributed by German authority for the lightning is attributed by German authority.

Up to Pare's time the most barbarous means had been used to stop the bleeding. scarce two ever escaped, and even these were long ill and the wounds thus burned were slow to heal, because the burning caused such vehement pains that they fell caused such vehement pains that they tell into fever, convulsions and other mortal accidents. In most of them, morsover, when the scar fell off there came fresh bleeding, which must again be stanched with the cauteries. So that for many healing was impossible, and they had an ulcer to the end of their lives, which prevented these forms because according to the context.

them from having an artificial limb."

The idea of abolishing such cruelty by using the ligature occurred to Pare in one of his war journeys, and his success went beyond his own expectations. His other discovery was made within a few hours of his joining the army. It was believed by the surgeons of the day that there was pelson in a gunshot wound, and one of the accepted authorities insisted that they must be cauterized "with oil of elders scalding bot, mixed with a little treacle. The pain was intolerable. It happened that at his first treatment of gunshot that at his first treatment of gunsnow wounds Pare's oil ran short, and he used instead "a digestive made of the yolks of eggs, oil of roses and turpentine." To his surprise, he found next morning that the patients he had thus treated were in bet-ter condition than the others. "Then I ter condition than the others. "Then I resolved never more to burn thus cruelly poor men with gunshot wounds."

No. 129 South Main Street,

# Our Fall and Winter Stock of Clothing

Come and see it while we are opening the cases and get the first chance to make selections. We have this fall a better line of clothing than we have ever had since we started in business. Every piece is all-wool, well made, and offered for little money. There can be no trouble in getting a fit, as we have plenty of suits in all sizes. Our Children's Department occupies an area of nearly half a block, and every foot of it is occupied by the stock of novelties in children's clothing which we have just bought. Just visit our store and see how it is crowded with clothing-stylish, up-to-date Clothing for Men, Youths, Boys and Children, and all offered at prices challenging all competition. The prices are marked in plain figures on every piece, and from these prices we take off the 10 per cent. which we get from the wholesale houses on account of being large buyers. The public gets the benefit of our rebate. Whenever you leave your home with the intention of buying clothing always keep your mind on the fact that the largest clothing house in the county, the one carrying the largest stock of clothing and the place where you can get the best bargains for the least money is the
