OUR COUNTRY: First, Last and Forever.

If you haven't voted at the primaries, do so now.

They free silverites in Colorado can not agree among themselves, and as a result human lives are sacrificed.

Some folks are so constituted that an axe is about the only instrument of warfare to bring them to a realization of their position in the minds of the public.

We are heartily in favor of reciprocity, even in local affairs. There is nothing like getting even with your enemies, especially those who will fire from ambush.

This Hazleton paper says that region is feeling the effects of returning prosperity, and that the business men and others of that city report increased business.

DAWSON CITY now has two newspapers: The Yukon Midnight Sun and the Klondike Nugget. Both are weeklies and are sold at 50c per copy.

By the time Gen. Blanco gets ready to leave Havana an American newspaper will be waiting to chronicle his departure under the heading, "Another old landmark gone."

SOUTH DAKOTA Supreme Court has decided adversely to the state law requiring druggists to take out licenses. As a usual thing, the "commercial traveler" has a free license for every thing.

THE first cargo of cigars and tobacco from Havana since the war began arrived in New York this week, and now we can "smoke out" the Spanish.

SUPPOSE the Auditors are compelled, by threats of prosecution, to surcharge the Council next year for paying the Auditors' bills. What position would the aforesaid Auditors assume, in the eyes of the public.

MORE persons have died during the late hot spell, by reason of the high temperature, than have perished during the war. And there is considerable loss of life in it, though that is a matter of indifference to the person deceased.

"FIGHTING JACK" Robinson has been named as a candidate for Congress by the Delaware county Republicans, in opposition to Congressman Butler, the present incumbent. This will make two Republican candidates, and one of the two will be elected, as the Democratic vote in that district is very small.

It is a little hard to gauge things in Republican politics just now, and it will be much more difficult in November if certain discredited office-seekers are placed upon the ticket. The indications are that the independent voter will be in force this fall, and to win the Republicans must nominate a strong ticket.

THE sympathy of the whole country will go out to Gen. Wheeler in the dreadful affliction which he has been called on to endure, says the New York Times. The death by rowing of his gallant young son, whose character gave promise of an honorable career in the service of the old States, is a cause for universal grief.

To his father, for whom the American people cherish sentiments of peculiar affection and respect, the loss is irreparable, but we hope that the assurance of their compassion may help him to bear it.

BETTER IN EVERY WAY Was Always Troubled With Nervousness—Now Cured.

MAHANAY CITY, PA.—"I have been troubled with nervousness and kidney difficulty. Have taken Hood's Sarsaparilla, and I am now feeling better in every way. I am stronger and have a good appetite, and sleep well at night. I have so much confidence in Hood's Sarsaparilla that I am glad to recommend it."
