SHRINCK NOMINATED.

He Returns to the Legislature From the Fourth District.

Special to EVENING HERALD.
Pottsville, Sept. 13.—The Fourth Legislative district convention convened here this morning in Union hall. There was a large attendance, and the interest in the outcome was as great, if not greater, than was manifested at yesterday's convention. The lines were closely drawn between the Quay and anti-Quay forces, and the contest was, in some respects, a bitter one. Congressman Brumm, suffering under the defeat administered him yesterday at the county convention, is said to have opposed Shrink's nomination. At least his son assured one of the anti-Quay candidates last night that that was his position. But whatever effort he made, he was not able to defeat Shrink, the Quay candidate.

Mr. Brumm himself did not put in an appearance at the convention this morning, something unusual for him. He has attended either as a delegate or interested spectator at every Legislative convention in this district for the past ten or twelve years, and his absence at this time is taken as an indication that the Congressman is sulking in his tent. The Quay people are jubilant over their victory in the first contest in the Legislative fight in the county, and say they will secure a full delegation favorable to the re-election of Senator Quay.

There were a dozen candidates seeking the nomination, including G. C. Shrink, William H. Jones and Albert Cable, of this place; D. W. Eiten, Donaldson; George L. Hill, Schuykill Haven; Earl Witman, Adamsdale; William Seaser, Tower City; F. R. Wright, Port Carbon; Maj. W. H. Holmes and W. W. Thorn, St. Clair; D. J. Gensemer, Jr., Porter township.

Five of the above candidates did not go before the convention. The anti-Quay people openly made the charge that a plentiful supply of hostile caused the defeat of their candidates, and that one of them, Witman, was counted out. The fight against Shrink was directed from many quarters, and his opponents claim that he was squarely defeated at the primaries. Brumm did not turn his hand in Shrink's interests.

The convention was called to order by County Chairman A. L. Shay and Hon. Elias Davis was made chairman. The secretary's report of yesterday's convention was continued in office to-day.

Only seven candidates for nomination lined up for the fray. They were William Seaser, Tower City; William H. Jones, Pottsville; Hon. G. C. Shrink, Pottsville; Hon. Earl Witman, Adamsdale; Albert D. Cable, Pottsville; D. J. Gensemer, Jr., Good Springs; and W. W. Thorn, St. Clair.

The names of five announced candidates were not presented, among them was that of Major William H. Holmes, of St. Clair. The convention was a distinctly Quay and anti-Quay struggle for supremacy and Messrs. Shrink, Gensemer and Thorn were rallied under the banner of "the old man," while Jones, Witman and Seaser were the declared anti-Quay candidates.

The first ballot resulted in the nomination of Shrink and Gensemer on the following vote: Seaser, 32; Jones, 41; Shrink, 74; Witman, 32; Cable, 25; Gensemer, 63; Thorn, 54. Whole number of votes cast, 117. Necessary to a choice, 59.

On the second ballot Thorn received 43, Witman, 30; Jones, 31 and Cable 4. Whole number of votes cast, 117. Necessary to a choice, 59, therefore there was no nomination on this ballot. Jones then withdrew in favor of Witman.

On the third ballot there was a tie between Witman and Thorn, each receiving 53 votes, and Cable got 2.

Thorn was nominated on the fourth ballot, he receiving 60 votes and Witman 53. The convention adjourned amid much confusion.

Good Play Well Presented.
The Elmer E. Vance Comedy Comedy opened a week's engagement at Ferguson's theatre last night before a large audience and gave a production that was an auspicious introduction of the company's excellent repertoire. The play was "The Limited Mail," which has been frequently presented here, but never with more complete scenic and mechanical effects than last night. It was remarked by many during the evening that they considered the production the best ever accorded the play here. The railway and saw mill scenes were heartily applauded. Incidental to the production Beatrice introduced her fancy and buck dances with success that won hearty applause. The company should do well financially large this week, as it has demonstrated that its productions will be far superior to the average for the prices. To night "Patent Applied For," another of Mr. Vance's excellent creations, will be on the bill. The only matinee will be given on Saturday. There will be none on Wednesday.

An Old Miner Killed.
Patrick Barrett, an aged miner residing at Mahanoy City, was almost instantly killed yesterday afternoon by a rock of coal in the Schuykill colliery under circumstances that will be searchingly investigated by a coroner's jury. Barrett died at the railway station where he had been taken for removal to the miners' hospital. He was employed as a laborer at the colliery and had placed a car in position and was stepping to the platform to begin work when a large body of coal rushed down the breast and carried him with it to the car. His skull was crushed and he was otherwise seriously injured. It is said the coal was started by a blast in an adjoining breast.

Women's Relief Corps Camp Fire.
The Women's Relief Corps, auxiliary to the G. A. R., will hold a camp fire in Baird's field, north end of Main street, on Monday, Sept. 19th. Admission free, afternoon and evening. 9-13-93.

A Remarkable Record.
Michael Cantlon, an old resident of town residing on East Raspberry alley, was seriously injured in the Kohinor colliery late yesterday afternoon. He is being cared for at his home. Cantlon was employed in cleaning roads and ditches. He was struck by a car and knocked against a rib. In falling back his left leg fell on the road and one of the hind wheels passed over the thigh, cutting and bruising it, but breaking no bones. At the same time Cantlon's body was doubled up and he also now suffers from pains in the back. It is remarkable that Mr. Cantlon has worked in the Kohinor colliery ever since he came to this town, about 27 years ago, and this is the first accident he has met with.

THE TICKET COMPLETED

The Convention Did Not Adjourn Until 5:30 O'clock Yesterday.

SHRINK WINS FOR LEGISLATURE

The Fourth Legislative District Convention Was Convened in Pottsville This Morning, and the Quay and Anti-Quay Forces Were Arranged One Against the Other.

The Republican county convention adjourned at 5:30 yesterday afternoon, after nominating the following ticket:

- FOR JUDGE: HON. R. H. KOCH, Pottsville.
- FOR CONGRESS: HON. C. N. BRUMM, Minersville.
- FOR DISTRICT ATTORNEY: S. BURD EDWARDS, Pottsville.
- FOR CONTROLLER: CHAS. A. SNYDER, Pottsville.
- FOR POOR DIRECTOR: S. G. MIDDLETON, Gilberton.
- FOR CORNER: DR. W. N. STEIN, Shenandoah.
- FOR SURVEYOR: M. D. BOWMAN, Mahanoy City.

The HERALD's report yesterday closed with the nomination of Controller, There were but two names presented as candidates for Coroner, that of Dr. W. N. Stein, of Shenandoah, and Dr. H. R. Bricker, of Mahanoy City. The matter of the former was acted before the convention by a neat and appropriate speech by Thomas Dove, Jr., of town. The first ballot resulted in the choice of Dr. Stein by the following vote: Bricker, 88; Stein, 162, total, 250. Necessary, 125.

It required two ballots to name the Poor Director, candidates presented for the following being presented to the convention: Frank P. Scanlan, Shenandoah; William J. Carter, Pottsville; Stephen G. Middleton, Gilberton; John W. Heffner, Friedensburg; Patrick Clark, Ashland. The first ballot resulted as follows: Scanlan, 14; Carter, 34; Middleton, 109; Heffner, 39; Clark, 30; Total, 235. Necessary, 118. Shenandoah cast seven votes for Middleton and five for Carter, the latter receiving the votes of Dove, Hart and Morris.

On the second and last ballot Scanlan's name was withdrawn, with the result that Middleton was nominated by the following vote: Carter, 24; Middleton, 190; Heffner, 51; Clark, 17; total, 237. Necessary, 119. Brumm voted for Clark and Senator Losh supported Middleton, Shenandoah's vote was the same as on the first ballot.

COUNTY SURVEYOR.
Mark D. Bowman, of Mahanoy City, was the only candidate presented for County Surveyor, and he was nominated by acclamation, and the convention adjourned.

NOTES.
The Senatorial convention will be held in Robbins' hall, this town, to-morrow morning. The First Legislative convention will be held in Mahanoy City on Thursday.

Detective John J. Toole kept a watchful eye on the bootleggers, and as a result there was little money changed hands.

Mr. Brumm was very indignant at the vote of Shenandoah and Mahanoy City on the Controller ticket.

Immediately after the nomination of Snyder, the Congressman left the convention hall in an ugly mood, charging some of his friends with nomination and protesting to oppose the nomination of Shrink to the Legislature in retaliation. Mr. Brumm and Chairman Elias Davis had an encounter before the latter retired to the Snyder. Truly the statesman from Minersville is in his dotage.

Dr. W. N. Stein was heartily congratulated by his townsmen to-day upon the success of his first venture in the political arena.

All nominations will be made this week, and it is likely the Republican candidates will be called together next week to select a county chairman. The Brumm people are "grouching" George Patterson, of Ashland, for the position.

Shenandoah's delegation in the county convention stood manfully by the pledges they made to the people, and are to be commended.

Detective John J. Toole took \$20 of Mr. Brumm's money early Monday morning, on a wager that Snyder would require less than fifty votes for nomination on the first ballot. The result showed he needed only 29 votes, and Mr. Toole captured the Congressman's greenbacks.

Shenandoah's vote in to-morrow's Senatorial convention will be sold for Graham, his delegates in this town being elected without opposition.

The Legislative Fight.
ED. HERALD.—The county convention being over and the candidates named, the interest of the Republicans north of the mountain is centered on the convention of the First district, which is to be held on Thursday. Shenandoah and Mahanoy City each have one candidate on the county ticket, and the chances are that D. M. Graham, of the latter place, will be the nominee for the Senate. If such is the case, it will not do for the Legislative nominee also to reside there. Shenandoah has two candidates for this office, and in order to make the ticket equal, is entitled to this nomination. As locality has a great deal to do with making a winning ticket, an even division will certainly make a stronger ticket than one which is one-sided.

A Timely Excursion.
Now that the Second Corps of the United States Army is at home at Camp Meade, at Middletown, applications for a cheap Sunday excursion have piled in upon the passenger department of the Reading Railway from this region where so many relatives of men of the 8th Regiment, P. V. I., reside that the officials have decided to run an excursion for the day on Sunday next, 18th. As the army numbers nearly 2,500 and so such opportunity of witnessing so large a body of soldiers has presented itself since the civil war, or is likely to for years to come, the excursion will be a very large one.

Notice to Water Consumers.
Beginning with Wednesday, the 14th inst., the water will be turned off each day from 7:30 p. m. to 5:30 a. m., until further notice. 9-13-93. JOS. BELL, Chairman.

Chamber sets, 9 pieces, from \$2.50 up, at F. J. Portz.

THE PLATFORM.

Adopted by the Republican County Convention Yesterday.

The platform adopted at the Republican county convention was quite lengthy, and reaffirmed the party's allegiance to the principles contained in the national platform adopted at St. Louis in 1892; that in order to further the interests of labor as well as capital, the great American system of protection must be preserved.

Upon the financial question the platform declares "that it is of the utmost importance to our national welfare to have a firm, stable and unchangeable medium of exchange and that the money of our country must be worth at all times and places what it purports to be; that no discount shall be made and no false idea of coinage shall rob it of its full value. We therefore favor the best money that our country can give the people."

The administrative President McKinley, in the conduct of the war is commended; that the arduous gratitude of our nation is due to all the great heroes of the war, including the volunteers from Schuylkill county, in the cause of liberty and freedom. The platform further declares in favor of the retention of whatever territory we have acquired by conquest; that we call upon our Congressmen to advance the interests of the unproductive coal regions, so that its chief product be used in our war vessels; that the Democratic convention held at Pottsville in July last, in the adoption of their platform, acknowledged that they were without principles, and no other object or purpose than to secure the spoils of office.

The appointment of John F. Finney, as sub-Treasurer in Philadelphia, is recognized as a high compliment to our county; the administration of Gov. Hastings is supposed, as well as the course of the two United States Senators, Congressman Brumm, State Senators and members of the Legislature. The nomination of S. Burd Edwards, as District Attorney, is commended to the people, as a guarantee that reforms will be accomplished in this office.

The plank favoring a non-partisan judiciary, endorses the course of Hon. R. H. Koch, who has "proven his entire impartiality and eminent fitness for the bench. In him are found experience, ability, conscience, candor, courage and irreproachable character; and, having been born and reared within the county, he knows its people and comprehends their welfare. There are four judges on our local bench, three of whom are Democrats, who were elected to their present terms of office by the aid of many Republican voters; and for the Democratic party now to insist on filling the only remaining position with another Democrat, is to make the judgeship a partisan political office and to bet against with people a serious lack of confidence in the administration of justice. The present candidacy of the Democratic nominee, his ineffectuality in his advocacy of the election of Green, Republican, over Wadlinger, Democrat, upon the ground that Green was the only Republican on the bench, and yet within sixteen months (Judge Green having died in the meantime) he urged and secured Governor Pattison to appoint a Democrat to fill the vacancy. Therefore we cordially invite all voters in the county to stand by the Republican party in its earnest and practical advocacy of a non-partisan judiciary and in a spirit of fairness to elect the Honorable Richard H. Koch.

REFORMED SANTIAGO.

Result of General Wood's Introduction of American Methods.

DEATH RATE LARGELY REDUCED.

General Wood Enforces Cleanliness, and as a Result the Daily Death Rate of Seventy Has Fallen to Twenty Within a Month.

Santiago de Cuba, Sept. 13.—As the result of the general introduction by General Wood, military governor of Santiago de Cuba, of American methods of conducting municipal affairs, this ancient and always unhealthy city presents a healthy record today which is quite extraordinary, considering the conditions that existed here a month ago.

Under the present system Santiago is divided into five divisions, under five physicians, each division having inspectors of sewers, streets, houses and dispensaries, with a hundred street cleaners. Five hundred cubic yards of refuse are burned daily, disinfectants are distributed wherever they are needed and a heavy fine is imposed for uncleanness and failure to report unhealthful conditions and death.

Quick proofs of the benefit of the system are furnished by the decrease in sickness among the poor. The daily death rate of 70 a month ago has fallen to 20. Further evidence of the wisdom and thoroughness of the sanitary arrangements is supplied by the lessening of sickness among the troops.

The chief source of trouble now is the harbor. Near the city the current is slight. A plan is proposed to dredge thoroughly the muddy shallows exposed by the tide and to protect the banks with either stone work or piles, carrying the present infectious sewage a two miles down the bay, where the current is swifter.

The sickness among the American soldiers is principally malarial, a mild form of yellow fever and dysentery. General Wood expects, in the course of another month, to make Santiago as healthful as the ordinary southern city in the United States.

This week all the Spanish prisoners will leave and the Cuban army, save the staff officers, will disband. Many Americans are arriving here in search of business opportunities. They express themselves as favorably impressed by the commercial possibilities of the town.

Bonner Defeats Creedon.
New York, Sept. 13.—Jack Bonner, the middleweight pugilist from Summit, Pa., gained an easy victory over Dan Creedon, the Australian boxer, in the second round of their fight at the Greater New York Athletic club last night. Creedon was knocked down with a heavy right hand punch on the jaw, and in falling he twisted his right ankle. He was knocked out by any means, but the blow received on the jaw was enough to settle the boxing aspirations of any man. He groined around and tried to regain his feet, while the referee was counting off the seconds, but his ankle was several times injured for him to stand up straight, and he fell again and was counted out.

Choyanski Beats Goddard.
Philadelphia, Sept. 13.—Joe Choyanski had all the best of his bout with Joe Goddard last night at the Arena. Goddard was considerably heavier than the Californian, but he lacked in science. Choyanski made a chopping block of the Australian and scored several times. It looked as though Goddard would not be able to stay the full six rounds. In the closing round Goddard fought wildly, while Choyanski was calm and banged Goddard on the jaw, sending him and often, but he could not stop the Australian. When the gong sounded a spotter jumped into the ring and attempted to hit Goddard, but he was quickly thrown from the platform.

THINKS WAR IS NOT OVER
General Wheeler Expects More Fighting With Spain Over the Philippine Islands.

Montgomery, Ala., Sept. 13.—The Advertiser prints the following as a portion of an interview with General Joseph Wheeler, and states that the general was in the presence of three gentlemen, one of whom is Hon. Samuel Blackwell, when talking to the reporter: "I do not believe the war is over by any means; neither does President McKinley, who told me personally he had no faith that the peace commission would settle the difference existing with Spain over the Philippines. The Spanish claim that the battles at Manila were fought after the protocol was signed, and on these grounds will refuse to give up the islands."

Well Known Preacher Dead.
Pittsburg, Sept. 13.—Rev. Dr. I. C. Pershing, one of the best known Methodist Episcopal ministers in the state, died at Cambridge Springs yesterday of pneumonia. Dr. Pershing was born at Johnstown about 65 years ago, and for 25 years was president of the Pittsburg Female college. The deceased was a brother of Judge Cyrus L. Pershing, who was at one time prominent in Democratic politics and was once the party's candidate for governor.

The Fifth Explosion Victim.
Philadelphia, Sept. 13.—The body taken from the debris of the wrecked store at Fifteenth and South streets yesterday was identified as that of Rebecca Schattenstein. The body was identified by Max Adelsen, who was betrothed to the girl, by means of a ring he had given her. This was the only body recovered yesterday, making five bodies thus far recovered.

A Councilman Injured.
George Shaffer, one of the members of the Mahanoy City Borough Council, had his collar bone broken by a fall of coal at the Elmwood colliery yesterday afternoon.
