Brumm's Last Appearance,

The Republicans of the county through their representatives in convention assembled, have selected the men for the various offices to be filled next November, and it remains to be seen whether or not they will be the choice of the people. There are many features connected with yester day's convention that should be overlooked in the interest of party success, and there are some that cannot be passed by and totally agnored, if Born," mailed free on application. the lenders are true to themselves and the party.

His character is above re- ber of the Board of Poor Directors, is proach, and he always has the courage of his convictions, and the fact that his nomination was made by acela mation was a graceful compliment on the part of his political associates, and during the investigation at that and was his by right.

The fact that the convention re nominated the present member of Congress from this district without opposition, must not be construed as meaning that he was the choice of a majority of the delegates, or the party voters at large. Such is not the case. Mr. Brumm's one fight in Stein, as the candidate for Coroner, the convention was to secure the The handsome majority he received nomination of a gentleman by the name of Shindel, residing at Tamaqua, for the most important office within the gift of the people, that of humiliating to the Congressman, and the chances are that the latter has made his last appearance as a factor in the politics of Schuylkill county. whether he is elected or not, his political career is drawing to a close,

Few men in the county, in public life, have a larger acquaintance extending as it does to every walk of life. Mr. Edwards will no doubt receive a large complimentary vote, and will lead his Democratic opponent in districts where it is least expected.

The popularity of Charles A. Snyder, the present incumbent of the County Controller's office, by grace of the Governor's appointment, was fully attested in the convention Against his nomination the full Brumm strength was arrayed, and the Cozgressman himself took the floor and in an unfair manner directed his remarks against the present Con. troller and in the interest of his man Shindel. Mr. Snyder, however, quietly ignored these personal attacks and submitted to the caim and deliberate judgment of the delegates, and thus won the admiration concessions which completely satisfied of even those who opposed his nomination. Government Not Dependent on Railread Company For Transportation. Washington, Sept. 13.—Assistant Secretary of War Methicjohn last night gave out an extract from the proposal from W. E. THE MAINE ELECTION.

The Four Republican Congressmen

Pertland, Me., Sept. 13,-The state election yesterday resulted in the success of the full Republican ticket, as follows: Governor, Liewellyn Powers; congressman, First district, Thomas B. Reed: Second, Nelson Dingley; Third, Edwin C. Burleigh; Fourth, Charles A. Boutelle. The election was marked by comparative apathy on the part of the Republicans, who felt secure, while the Democrats, taking perhaps a little more interest, with an apparent desire to make a better showing than in 1894 or 1896, put some vim into the campaign, the result of which was seen in

nearly every town.

The falling off of the Republican vote was, however, anticipated by the party managers, and while it was some lower than anticipated it gave them no anxiety, and the loyal men of the party readily explained it.

While the Democratic vote kept up well with that of last off year, 1894, it must be remembered that the vote that year was a falling off of 15,000 from the year was a tailing on or 18,000 from the vote of the previous off year, 1890. The state elected a solid Republican delegation to congress. The four con-gressmen had little or no opposition,

The two evacuation commissions held an hour's session yesterday and adalthough, strangely enough, Speaker Reed had a vigorous opponent in his journed until tomorrow. The American district—McKinney.
Mr. Dingley, whose majority exceeds 7,000, did not make a speech during the campaign, confining his efforts to conferences with the committees in the different shire towns. The other two congressmen, Boutelle and Bur-

leigh, did even less, so that it may be said that there never was a campaign in the state where there was so little said of national issues, Governor Powers' plurality is about 26,000, a Republican loss of 21 per cent and a Democratic loss of only 5 per cent. Dr. Miles' Nervine A REMEDY FOR THE

His excessive use of tobacco, especially by young men is always injurious and undoubtedly shortens life materially. Mr. Ed. C. Ebsen, compositor on the Contra-Costa News, Martinez, Cal., writes; "I have used Dr. Miles' Restorative Nervine and received much benefit from it. I was troubled with nervousness, dizzy spells and sleeplessness, cauged by the use of tobacco and stim-ulants. I took Dr. Miles' Nervine with marvelously good results, allaying the dizziness, quieting the nerves, and enabling me to steep and rest, proving in my case a very beneficial remedy." Dr. Miles' Restorative Nervine is especially adapted to restoring the nervous system to its normal condition under such circumstances. It southes, heals

under such efreumstances. It soothes, hea and strengthens.

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address.
