Our Next Senator,

The Republicans of the Thirtieth Senatorial district have reasons to congratulate themselves upon the nomination made by their representatives in the convention assembled here yesterday. Mr. Graham will receive in Mahanoy City the largest vote ever accorded a candidate on either ticket, and it is not unreasonable to expect that his vote in this Democratic stronghold will equal that of his opponent. His nomination, too, will add much strength to the county ticket, and in whatever light the result of vesterday's convention is viewed, the action of the representatives of the Republicans in this distriet is to be commended.

Mr. Graham has never before sought political office, but has always taken an active interest in the success of his party candidates, whether they be friend or foe, and those whose names have appeared upon the ticket in the past appreciate his influence. among the rank and file of the party. 50 cents.

David M. Graham will be the next State Senator from this district.
