WE are the victors and our competitors the vanquished. They never touch us in quantity, quality, style or prices. Our Grand Opening of Fall and Winter Stock of Clothing and Overcoats is now in progress. Give us a call and see the wonderful revelation we have in Clothing for Men, Youths and Children. Nothing of the kind has ever been attempted before in Shenandoah. We have searched in the best manufacturing houses for the best materials and the latest styles and we tound them. Everything in our stock is as new as a fresh laid egg, and every piece is worth 20 per cent, more than we ask for it. We don't ask you three or four prices, as some dealers do. Our goods are marked in plain figures, and at bottom-rock prices with ten per cent, additional off. We can afford to do this because we are big buyers of goods and get an allowance of ten per cent, from the wholesale houses. This percentage we give to our customers. We have the finest Overcoats for Men and Youths that any dealer in the county ever handled, and are offering them at from \$3 to \$18. See the latest Box Style Overcoats. The stock is a large one, but people should call before a rush sets in and others have their choice in selection. The first com , first served, and the same prices to all is one of the leading mottoes in our house. Everybody is welcome to visit our store and none need feel under obligation to buy. Every caller will be surprised by our display and agree with us that no other house in the county ever carried such a select and varied stock of clothing before. Men's Suits from \$3.00 to \$18.00. Boys' Suits from \$2 00 up to \$12.00. Children's Suits from 90c. up to \$6.00. We know people don't want trash pushed upon them when they buy clothing, and we never offer anything but the good article to our customers. We give our customers eight days to find out if we don't sell cheaper than any other clothing house in the county. If we don't we take back the goods and refund the money.
