House, and they have got the Republican Congressional Campaign Committee scared. The Republicans have factional split ups in several localities that cannot fail in affecting the Congressional districts, and the great gressional districts, and the great hullabalio that has been raised about the treatment of the soldiers is being all the large between of the country. the treatment of the soldlers is being made the principal stock in trade by the Demogratic orators.

been the engerness of the whole P. D. Kirlin and a guarantee. people to strengthen the hands of the government and to look closely after the welfare of the soldiers. In caring for the troops the cost has not been counted. The administration has earnestly endeavored to place the army in the field under the most favorable circumstances and citizens have been ready to add all assistance within their power. It can never be said that the American army of 1898 was unappreciated. Their noble selfsacrifice has received every mark of warm esteem and admiration.

THE weather is turning into fall. unmistakably and quite fast, and the change of seasons brings with it the necessity for many purchases that heretofore could be deferred. The need is present, the customers are about to buy what the need demands, and the goods will be bought, in nine cases out of ten, where goods and prices are most temptingly displayed through the advertising columns of your home newspaper. These are facts that are patent, need no argument to drive them home, and yet human nature is such that the most human nature is such that the most familiar truth needs to be emphasized in order to "stick." The most suc-cessful merchants of Shenandoah use the HKRALD columns. It is a profitable investment.
